The Reason for God Timothy Keller, 2010-10-30 This discussion guide will help you and your group learn how to engage others in dialogue on six common objections to Christianity Page 4 of cover

The People of God Trevor Joy, Spence Shelton, 2014-05-01 The most powerful

asset a church has is its people People of God is a challenge to the men and women of the church It is a challenge to believe what God says about his people still applies to the church today It is a challenge not to settle for church as just a program It is a challenge to return the ministry of God to the people of God People of God lays out the theology and practice of community Authors Spence Shelton and Trevor Joy seek to show why community is central to the Christian life and how to practice it in the 21st century church Whether you are a pastor or a volunteer leader People of God aims to equip and encourage congregations as they build a culture of discipleship in the life of their church The authors draw on experiences and learnings from their time leading two of the fastest growing congregations in America to give you principles that can apply in a church of 50 or 15 000

Is Hell for Real or Does Everyone Go To Heaven? Zondervan, 2011-08-02 Both outside and inside of the church many people today are increasingly uncomfortable with hell They wonder How could it be fair to punish anyone for eternity Will Jesus really condemn millions simply for not believing the right things about him Isn't God a God of love not vengeance The top notch contributors to Is Hell for Real or Does Everyone Go to Heaven tackle these and other questions with an even handed survey of the Bible's teaching on this difficult subject Together they present a careful case for upholding hell showing that it remains central to a right understanding of God the gospel humanity and God's purposes for the world Useful for group discussion or individual study Is Hell for Real or Does Everyone Go to Heaven provides an accessible introduction to the historic Christian doctrine of hell

Center Church Timothy Keller, 2012-09-04 Practical and Gospel centered thoughts on how to have a fruitful ministry by one of America's leading and most beloved pastor Many church leaders are struggling to adapt to a culture that values individuality above loyalty to a group or institution There have been so many church growth and effective ministry books in the past few decades that it's hard to know where to start or which ones will provide useful and honest insight Based on over twenty years of ministry in New York City Timothy Keller takes a unique approach that measures a ministry's success neither by numbers nor purely by the faithfulness of its leaders but on the biblical grounds of fruitfulness Center Church outlines a balanced theological vision for ministry organized around three core commitments Gospel centered The gospel of grace in Jesus Christ changes everything from our hearts to our community to the world It completely reshapes the content tone and strategy of all that we do City centered With a positive approach toward our culture we learn to affirm that cities are wonderful strategic and underserved places for gospel ministry Movement centered Instead of building our own tribe we seek the prosperity and peace of our community as we are led by the Holy Spirit Between a pastor's doctrinal beliefs and ministry practices should be a well conceived vision for how to bring the gospel to bear on the particular cultural setting and historical moment This is something more practical than just doctrine but much more theological than how to steps for carrying out a ministry Once this vision is in place it leads church leaders to make good decisions on how to worship disciple evangelize serve and engage culture in their field of ministry whether in a city suburb or small town Tim Keller Core Church
