

MICHAEL SAVAGE

#1 NEW YORK TIMES BESTSELLING AUTHOR

A portrait of Michael Savage, a man with a grey goatee and a brown fedora, wearing a grey suit jacket over a light green shirt. He is holding a large, red, irregularly shaped object that resembles a map of the United States. The words "GOVERNMENT ZERO" are printed in large, white, bold, sans-serif capital letters across the center of the red shape. The background is a bright blue sky with wispy white clouds.

Government Zero No Borders No Language No Culture:

Government Zero Michael Savage, 2015 Argues that progressives and radical Islamists are working toward similar ends by compromising democratic principles to instill a government of absolute power without representation **Government Zero** Michael Savage, 2015-10-27 From bestselling author of *Stop the Coming Civil War* Michael Savage reveals the massive dangers currently leading to the demise of our government Michael Savage has been warning Americans for decades and now it's here In *GOVERNMENT ZERO No Borders No Language No Culture* Savage sounds the alarm about how progressives and radical Islamists are each unwittingly working towards similar ends to destroy Western Civilization and remake it in their own respective images These two dark forces are transforming our once free republic into a socialist Third World dictatorship ruled by Government Zero absolute government and zero representation Combining in depth analysis with biting commentary Savage cuts through mainstream media propaganda to reveal an all out attack on our borders language and culture by progressive travelers who have hijacked public policy from national defense to immigration to public education Find out everything you need to know about this terrifying agenda to weaken the U S military cripple the American economy subvert basic American liberties such as freedom of speech and destroy the international world order There is no time to lose The Progressive Islamist agenda has advanced into every public space from the White House to the military to your local public school If America is to survive it has to be stopped Michael Savage has a plan Get the inside story before it's too late *Ebenezer* David J. Leach, 2018-03-15 Here you will find thought provoking discussions regarding religion national security the Constitution these are heard in the seven theses representing how history repeats itself through divisions within nations when the God who created mankind is left out Significantly during the past fifty years the God who simultaneously gave us life and gave us liberty according to Jefferson is being disregarded in the most important deliberations at the highest levels of government National Security policy discussions revolve around political considerations and short term wins and losses which will garner the best media bias in favor of the policies promulgated and which might provide payback for past political favors and votes The long term ramification of those policies are not based upon biblical principles unless the interpretation of the Bible fits what humanist politics deem appropriate for the times and in accordance with a living Constitution perspective Ebenezer discusses United States national security from a biblical perspective through discussions regarding clandestine operations homosexuality in the Department of Defense terrorism women in direct combat operations nuclear weapons deterrence borders language and culture and National Security Strategy Ebenezer means stone of help It represents the stone erected by the prophet Samuel to commemorate and be a reminder of the Lord God's power and protection for his people the United States has been an Ebenezer since its founding a stone of help to a world in need To be Ebenezer the United States needs a foundational stone to lean against *Talking Book Topics*, 2016 **The Great Great Wall** Ian Volner, 2019-06-11 Timely and highly readable provides a valuable backdrop to Donald Trump's insistence on a

barrier across America's southern border Robert Dallek presidential historian During his campaign for the presidency one of Donald Trump's signature promises was that he would build a great great wall on the border between the US and Mexico and Mexico was going to pay for it Now with only a few prototype segments erected the wall is the 2 000 mile multibillion dollar elephant in the room of contemporary American life In The Great Great Wall architectural historian and critic Ian Volner takes a fascinating look at the barriers that we have built over millennia Traveling far afield to China the Middle East Europe and along the U S Mexico border Volner examines famous contentious and illuminating structures and explores key questions Why do we build walls What do they reveal about human history What happens after they go up With special attention to Trump's wall and the walls that exist along the US border already this is an absorbing smart and timely book on an incredibly contentious and newsworthy topic A work of literary alchemy that transmutes the wall a simple architectural structure and of late political metaphor into a prism through which to view the panorama of human history this book will amaze delight and enchant even the most jaded nonfiction aficionado William J Bernstein award winning author of The Delusions of Crowds A global journey to some of history's most significant walls China Berlin and even Jericho weaving together a fascinating account of their foundational myths and current realities Carrie Gibson author of El Norte

An Outsider's Guide to Antifa Matthew Knouff, 2017-11-22 The first volume of an introductory guide to the anti fascist movement focusing on historical fascism and the predecessor enemies to fascism the epistemology of fascism and the psychology of fascism and left wing activism **The Clash of Civilizations** Allan Trawinski, 2017-05-26 In this work Allan Trawinski will test and disprove the commonly held hypothesis that the present West Near East Conflict is a relatively new development since the founding of the State of Israel in 1948 is primarily driven by religion culture radical Islamic fundamentalism against Christianity Judaism and that terrorism is employed as the Near East's primary method weapon tactic of choice which could all be ended by solving the Palestinian Israeli religious problem ending radical terrorism becoming energy independent liberating the region from despots and establishing prosperous economic and democratic regimes in their wakes Consequently he will test and prove his own counterhypothesis that the present West Near East Conflict is a part of a continuous 3 275 year conflict that is secular geopolitical economic as much as or more than ideological religious cultural in nature and that terrorism has only until very recently played a relatively minor role as the Near East's primary method weapon tactic of choice

Science and Religion Yiftach Fehige, 2016-02-12 This volume situates itself within the context of the rapidly growing interdisciplinary field that is dedicated to the study of the complex interactions between science and religion It presents an innovative approach insofar as it addresses the Eurocentrism that is still prevalent in this field At the same time it reveals how science develops in the space that emerges between the local and the global The volume examines a range of themes central to the interaction between science and religion Eastern thought within Western science and religion and vice versa and revisits thinkers who sought to integrate Eastern and Western thinking It studies Zen Buddhism and its relation to psychotherapy
