Gps For Life Guidance Of A Personal Savior:

Gps for Life Brandy A. Coffee Marks,2011-06 GPS for Life shows what to do once one becomes a believer For those who want to learn and grow in the Lord the author provides challenging questions and space for adding one s own comments

The Forgiven Brandy Marks,2024-12-31 In *The Forgiven* author Brandy Marks delivers a riveting supernatural adventure that plunges readers into a spiritual battleground where the forces of light and darkness collide in an eternal struggle for power redemption and faith Rich theological imagery this sequel builds upon the saga of Anak a steadfast warrior determined to protect the City of Hope from Lucifer s relentless schemes When the demons gain the upper hand Anak and his loyal companions are dragged into the depths of Hell subjected to harrowing trials and temptations that push them to the edge of their endurance Meanwhile the angel Miriam escapes captivity and alone in the forest she prays fervently to Adonai for guidance but the answer she receives is as bewildering as it is profound In a shocking twist Lucifer himself arrives as a tempter determined to break Miriam s resolve Yet in an ironic turn of fate Lucifer faces an unexpected temptation of his own shattering preconceived notions of good and evil As the boundaries between captor and captive blur the story crescendos into an astonishing event that redefines the very nature of redemption and forgiveness With a fast paced plot vividly drawn characters and theological depth *The Forgiven* explores the eternal conflict between light and darkness faith and doubt and the resilience of the human spirit in the face of insurmountable odds Brandy Marks masterfully balances moments of gut wrenching darkness with glimmers of hope creating a tale that is as thought provoking as it is thrilling For fans of supernatural adventures woven with spiritual insight and moral complexity *The Forgiven* promises an unforgettable journey into the heart of a celestial war one where victory might not look as expected and forgiveness holds the key to salvation

Hell's Retribution Brandy Marks,2021-01-01 *Hell s Retribution* is a fantasy adventure novel based on presumed real life events wherein Lucifer a powerful cherub and the first of its kind gets into trouble with the Lord of Heaven Lucifer lets his pride get in the way of his good sense thereby corrupting him and he is evicted from paradise Working with his faithful commander once an archangel he sets out to destroy all who live on the earth wherein he now resides Redemption is the last thing on his mind when he enters The Garden to create a little mischief Doing his best to corrupt the people of earth by any means he can contrive it does nothing but ensure his further unhappiness Then his favorite dragon a cherub at one time who d followed him from paradise is killed Lucifer s goal now is seeking revenge on Anak one of the fabled Nephilim Unconcerned with Lucifer he enters hell with one of the Fae to save a Faerie queen Unknown to Anak she s a favorite of Lucifer s Twice rejected by her and continually confronted by Lucifer Anak and Kai struggle to find their way out of hell through the chasm and beyond where dangers Lurk but also the end of their journey One disaster after another confronts the two yet despite of all Lucifer s attempts to destroy Anak he has failed So Lucifer kidnaps a certain angel he believes the man loves and does his best to seduce her But what is the end result when Lucifer himself is seduced by his own schemes Will he find love at last or

more disappointment The adventure is seen through his eyes as well as other characters humans the Fae fallen angels and other of heaven s celestials The quest takes them through Earth into Hell back to Heaven and finally earth again for a surprising ending Lest you imagine this is the end of the story be not dismayed for their adventure truly has just begun

The Fallen Brandy Marks,2023-03-13 The Fallen Description The Fallen is about Sex sin suffering and salvation When the cherub starts a war in heaven and is cast out he must learn to survive in an uninviting land that s as hot as hell or so it seems His commander also a fallen meets an earth woman and impregnates her She gives birth to a son a Nephilim but Anak is not his only child Later in the desert the mother of Anak dies while Anak is busy enjoying the favors of a female after making his way out of the desert To live with his guilt he leaves the Middle East and travels to the Northern country with a female Salma After she marries and ends their affair or so he thought Anak leaves for North Wales where he establishes a home and meets a Faerie queen Meanwhile a dragon attacks and destroys Anak s fields so he and his men search for the dragon and Anak slays it When Lucifer discovers his favorite dragon was slain by the Nephilim he s out for revenge and eventually gets his chance when Anak enters hell with a companion and Fae Kai intent on a rescue mission Eventually the two now on another rescue mission find themselves confronted by Lucifer Now his intention is to destroy Anak except he finds himself challenged by his arch enemy While that battle ensues Anak and Kai flee the hell only to run to learn he has to fight his way out of a castle in order to save the Tuatha de Danaan s daughter Reviewers Comments Populated with famous characters associated with the Bible who take on roles drastically different from what we might expect then adding elements of folklore ramped up the intrigue in this unusual novel Credit must go to Brandy Marks for creating a story that lived up to my basic expectations The characters are well fleshed out and their motivations seem obvious enough while the conversations between them are revealing once you get used to their flowery construct What stands out for me though is the attention to detail From the descriptions of the mythical creatures to the graphic nature of some scenes it is evident that Marks made an extra effort to bring a colorful story to life This is an entertaining novel that would hold its own in the fantasy genre quite well I had always believed that the apple falls close to the tree and that evil begets evil However this book opened my mind to life s infinite possibilities What I loved most about this book is that the narration is told from each character s perspective This is something that I don t usually find and it made the story more interesting The characters are all so different and they each have their particular voice and personality I also enjoyed how the author put so much detail into everything She didn t rush through scenes but instead took her time to describe everything so well you could picture exactly what was happening The impression of hell and the underworld was perfect for a book that stretched beyond the supernatural realm Brandy Marks did an excellent job of creating this world and making me feel as though I was right in the middle of the action I highly recommend this novel to lovers of thrillers and mythological narratives **GPS for Life:**

from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I ve had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you
