On the Scene Iii George O. Love, 2009-10-28 On the Scene III takes a deeper look inside the life of paramedics on and off the job how they deal with horrific calls mass casualty situations personal losses and financial stresses Loss of a friend loss of a spouse and lack of sleep begin to wear our crews down as they continue their races against life and death in the Gulf Coast region of Texas We find a couple of bad seeds among our heroes and the conviction in one brave medic to help local police rid the community of medics who place money above caring for their patients Personal triumphs are realized as Kevin s daughters are off to Oklahoma City for the Junior National Gymnastics competition in their bid to become part of the US Junior Olympic team

**Tigerland** Wil Haygood, 2019-08-13 Against the backdrop of one of the most tumultuous periods in recent American history as riots and demonstrations spread across the nation the Tigers of poor segregated East High School in Columbus Ohio did something no team from one school had ever done before they won the state basketball and baseball championships in the same year They defeated bigger richer whiter teams across the state and along the way brought blacks and whites together eased a painful racial divide throughout the state and overcame extraordinary obstacles on their road to success In *Tigerland* Wil Haygood gives us a spirited and stirring account of this improbable triumph and takes us deep into the personal lives of these local heroes At the same time he places the Tigers story in the context of the racially charged sixties bringing in such national figures as Jackie Robinson Martin Luther King Jr and Richard Nixon all of whom had a connection to the teams and a direct effect on their mythical season
