Grace In Ungracious Places:

Full Restoration Chad Mager, David Whitaker, 2005-07-11 FULL RESTORATION is not just about divorce There is no other book like this one Full Restoration reaches out to any Christian who has sinned in his or her past Gods restoration is never partial but complete You can still be used mightily for God Full Restoration presents a sound interpretation of 1 Timothy 3 2 The pastoral aspirant is to be one who is a one woman kind of man It emphasizes this man s present character not his past sin Full Restoration shows that there is not a place in the Bible that says men who have sinned in their past lose their giftedness With confession and repentance they can be used effectively in ministry again God s forgiveness and restoration is complete Even Jesus told Peter after his denial of the Lord Feed my sheep Full Restoration is for all Christians who have fallen into any sin but are forgiven and desire to serve the Lord again May the church see its need to discontinue seeing these precious forgiven and gifted saints as second class citizens but restored persons who will feed Jesus sheep

Over fifteen years have passed since Cora Diamond and James Conant turned Wittgenstein scholarship upside down with the program of resolute reading, and ten years since this reading was crystallized in the major collection *The New Wittgenstein*. This approach remains at the center of the debate about Wittgenstein and his philosophy, and this book draws together the latest thinking of the world's leading Tractarian scholars and promising newcomers. Showcasing one piece alternately from each camp, *Beyond the Tractatus Wars* pairs newly commissioned pieces addressing differing views on how to understand early Wittgenstein, providing for the first time an arena in which the debate between strong resolutists, mild resolutists, and elucidatory readers of the book can really take place. The collection includes famous samizdat essays by Warren Goldfarb and Roger White that are finally seeing the light of day. **A Body of Practical Divinity, Consisting of ...
