Turkey's Nuclear Future Sinan Ülgen, George Perkovich, 2015-03-24 Turkey with a robust modern economy and growing energy needs is pursuing a switch to nuclear power But that shift is occurring in an environment fraught with security challenges Turkey borders Iraq Syria and Iran all states with nuclear or WMD ambitions or capabilities As a NATO member Turkey also hosts U S nuclear bombs on its territory although some question the durability of this relationship This dynamic has naturally led to speculation that Turkish leaders might someday consider moving beyond a civilian course to develop nuclear weapons Yet there has been remarkably little informed analysis and debate on Turkey s nuclear future either within the country or in broader international society This volume explores the current status and trajectory of Turkey s nuclear program adding historical perspective analytical rigor and strategic insight

A New Psychology of Women Hilary M. Lips, 2016-05-04 Rich original and transformative the latest edition of *A New Psychology of Women* examines how gender related expectations

interact with other cultural assumptions and stereotypes and with social and economic conditions to affect women's experiences and behavior. Absorbing narratives centered on essential topics in psychology and global research engage readers to grasp cutting edge insights into the psychological diversity of women. Aware that our own cultural experience colors and limits what we think we know about people, veteran educator and scholar Hilary Lips imbues her discussions with international examples and perspectives to provide an inclusive approach to the psychology of women. A wide range of new and extensively updated topics optimize readers' knowledge of how disparate perspectives from cultures throughout the world shape women's behavior and attitudes toward health care, violence against women, poverty, labor force participation, occupational segregation, unpaid work, stereotyping and discrimination, expectations about power within marriage, female genital mutilation, theories of gender development, women's attitudes toward their bodies, use of social media, media portrayals of girls and women, women in political leadership roles. Among thoroughly updated topics particular to US culture are same sex marriage, Latina women's issues, the portrayal of women of different ethnic and cultural groups on television, and breast cancer survival rates of African American and European American women. Boxed items containing learning activities, profiles of women who helped shape psychology, and suggestions for making social changes appear throughout the text. Each chapter concludes with discussion questions, key terms, suggestions for additional reading, and Web resources.
