The Art of Appraisal Barbara D. Culp,2017-09-13 The Art of Appraisal saves time and boosts performance with effective tools and a streamlined process With a few detailed comments an appraisal can correct weak habits boost midlevel professionals and launch excellent teachers into greatness The Art of Appraisal allows administrators to reap the greatest benefits by creating clarity and efficiency in the process First a binary feedback structure ruled by four performance tiers is described Then ten key areas of teacher responsibility are defined Each task is further parsed into four subcategories Evaluations become faster and easier and the feedback becomes exponentially more profound Rich with real world examples and comments about different performance ratings The Art of Appraisal clarifies and distills the evaluation process

Supplemental chapters are packed with practical comments that can be pasted into evaluations This structured step by step system was developed by Dr Culp an educational professional with over forty years of experience An invaluable tool for administrators and the teachers they evaluate The Art of Appraisal allows a school s most effective tool to be used in the most efficient manner

Lesson Plan - the Grapes of Wrath by John Steinbeck Lisa Sangmeister,2011-03 Lesson Plan from the year 2010 in the subject English Literature Works grade 1 3 University of Marburg Anglistik course Second Language Acquisition language English abstract 1 General Overview The Hessian Curriculum 1 demands that the English lesson in the Oberstufe has to improve the pupils language skills as well as enlarge their knowledge about English literature and different cultures Correspondingly the pupils should gain experiences with a variety of texts and different media By this they develop critical media literacy which is an essential prerequisite for working independently Ideally these main objectives should be combined in every teaching unit The novel The Grapes of Wrath by John Steinbeck was published in 1939 It reports the story of the farmer family Joad which has like hundred thousands of other families to leave their home Oklahoma to start a new life in California By this Steinbeck exemplifies the fate of migrant workers in the USA during the 1930 s The novel should be motivating for the pupils as it constitutes an authentic documentation of the social circumstances during the time of the Great Depression 2 Furthermore the dramatic story of the family Joad is gripping and arouses empathy The novel moreover refers to central topics like work ethnic and inequality which can be connected to the current problems of globalization In The Grapes of Wrath Steinbeck makes use of the migrants authentic language That is why the reading might be a challenge for the pupils Besides Steinbeck s literary techniques are note worthy He for instance adds so called intercalary chapters which evaluate the plot and provide further information on the historical context Moreover the controversy 3 of the novel led to various reactions of artists and film adaptations So the novel is an appropriate starting point for the comparison of different media like for instance songs photographs and film adaptations Corresponding

Lauren M. Fullmer, Laura F. Bond, Crystal N. Molyneaux, Samuel J. Nayman, Maurice J. Elias, 2022-04-27 A field tested
classroom based approach for developing the critical thinking social emotional problem solving and discussion skills students
need to be good citizens and effective changemakers We often hear that a key purpose of schooling is to prepare students for
informed and active citizenship But what does this look like in practice How do teachers pursue this goal amid other pressing
priorities including student mastery of both academic content and social emotional competencies *Students Taking Action
Together* based on a program of the same name developed at Rutgers University clarifies that the way to prepare young
people for life in a democracy is by intentionally rehearsing democratic behaviors in the classroom This field tested program
STAT for short is built on five research backed teaching strategies that work with existing social studies English language
arts and history curriculum in the upper elementary middle and high school levels Incorporating these strategies into your
lessons is a way to meet students natural desire to be heard with skill building that empowers them to Adhere to norms of
civil conversation even when topics are controversial and emotions are high Speak confidently and listen actively Engage in
respectful debate aimed at understanding issues rather than winning points Target communication to different audiences
needs and contexts and Examine problems from many sides considering potential solutions drawing up action plans and
evaluating these plans effectiveness against historical examples In addition to vignettes that show the five STAT strategies in
action you ll find practical teaching tips and sample STAT lesson plans For school leaders there is a road map for schoolwide
