1. When you were little, all you ever talked about was how you wanted to be a nurse when you grew up. I didn't think you were serious about it, but it turns out I was wrong. You've always been an amazing person, and I am so proud of you. Congratulations on your graduation, sis!

2. Do you remember when we were little and I used to always beat you at games? You would get so mad and frustrated that you would start crying. As silly as it may seem now, I think those moments were the beginning of your journey to where you are today. Because of those experiences, you became determined to improve yourself. I'm so proud of you. Congratulations on your graduation!

3. My little baby sister is all grown up! I remember when Mom would carry you around and give you snacks while she did the housework. Now you're getting all A's in your classes while working a part-time job on top of that. I know Mom and Dad are very proud of you as well. Congratulation on your graduation!

4. Sis, I just want to tell you how proud I am of everything you have accomplished. I remember when we first started school and you were placed in the 'gifted' program. I remember how much that meant to you and I could see how hard you were trying because of it. Now look at you! You're graduating from college with honors. You are truly an inspiration.

5. Happy graduation, sister! I hope you know just how proud I am of you. You have overcome so many obstacles and achieved more than I could ever hope to achieve. Your graduation is symbol of all your hard work and determination. I love you! Congratulations!
