

The logo is a circular emblem with a green border. Inside the circle, a white silhouette of a golf clubhouse with a flag on top is centered. The words "GRAND MASTERS" are written in a serif font along the top inner edge of the circle, flanked by two leafy branches. The background of the image shows a lush green golf course with a clubhouse and trees in the distance under a blue sky.

The contribution to the development and culture of America by the immigrants from the territory of former Czechoslovakia, be they Czechs or Slovaks or Bohemians as they used to be called, has been enormous. Yet little has been written about the subject. This compendium is part of an effort to correct this glaring deficiency. In this compendium, the focus is on religion, law, and jurisprudence, business and entrepreneurship, and the notable people in the government, with the narration and assessment about the Czechoslovak American explorers, adventurers, and pioneers who paved the way for the colonists and settlers who followed them. An important role among them played the social movement activists, some of whose ideas won the respect and ultimate acceptance by the general population, to which subject an entire section has been devoted. Among other, you will find among them abolitionists, freethinkers, suffragists, civil human rights activists, environmentalists, and conservationists, climate change activists, philanthropists, inventors, and even futurists or futurologists. Their innovative ideas inevitably led to the rise of the plethora of Czech and Slovak American leaders encompassing practically every aspect of human endeavor. As stated in the Foreword, this reference will serve as a powerful research tool for many years to come for scholars and all Czechs and Slovaks on both sides of the Atlantic.
