what Latter day Saints call the Restoration In the broadest sense philosophy is concerned with mankind s relationship to existence whereas theology is concerned with mankind s relationship to God Both philosophy and theology are important to Latter Day Saints because one s view of God is greatly influenced by one s view of reality Eternalism then in the broadest sense is Latter day Saint theology explained within a philosophically sound structure **Christian Eternalism** Armon Eaton,2020-07-24 John A Widtsoe said The Gospel may be said to be The philosophy of Eternalism The Gospel is immersed in the ocean of eternity Neal A Maxwell said Eternalism is defined as that view of man and the universe which not only acknowledges but exults in the existence of a Heavenly Father Eternalism focuses on the individual and on those processes in which the individual is taught correct principles and then is given optimum opportunity to govern himself For those who believe we are all going to be around forever it is both natural and wise to concern ourselves with such questions and also with such principles which are also going to be around forever These quotes involving the word Eternalism indicate a deep philosophical foundation underlying everything about the restored gospel of Jesus Christ This book describes some of the philosophical foundations of what Latter day Saints call the Restoration In the broadest sense philosophy is concerned with mankind s relationship to existence whereas theology is concerned with mankind s relationship to God Both philosophy and theology are important to Latter Day Saints because one s view of God is greatly influenced by one s view of reality Eternalism then in the broadest sense is Latter day Saint theology explained within a philosophically sound structure **The Business of Redemption** James Arthur Ray,2020-01-07 In a world that often appears to be spinning out of control there has possibly never been a time when the need for true leaders has been more urgent than today Leadership is certainly an enigma Some believe that a leader is someone who has followers Does that mean that the person with the most Twitter followers or Facebook fans is a true leader Hardly While followers may be part of the equation leadership cannot be about followers alone and it can t be just about winning the popular vote In fact some of the greatest leaders in history were the least popular In The Business of Redemption James Arthur Ray brings together his nearly 30 years of experience in leadership entrepreneurship performance and business He tracks his meteoric rises and epic falls successes and failures to suggest that leadership is about paying the price Leadership is earned through battles and risk failures and successes resilience and grit and resourcefulness and the courage and commitment to get back up and never give up True leaders take Absolute Responsibility when things go badly and they give all the credit and praise when things go famously well True leaders are fighting for a cause that s bigger than their own personal creature comforts moods and needs and that takes The Business of Redemption **Radical Goal Setting** Suni Rose,2008-12 Radical Goal Setting is a comprehensive how to manual on turning dreams into reality Suni gives you practical lessons that take you through the entire process of goal setting from learning how to set goals that reflect your highest intentions to deliberately pulling them into your world The book is a coursework on goal setting Web site **Organizational Ethics** Craig E. Johnson,2015-05-05 We are constantly faced with

ethical decisions no matter what organizations we join The ethical choices we make determine the health of our businesses schools government agencies religious congregations charities and other institutions Our ethical decisions also determine our career success or failure Bestselling author Craig E Johnson shows how we can develop our ethical competence just as we develop our abilities to manage or oversee operations Every chapter of *Organizational Ethics A Practical Approach Third Edition* provides readers with opportunities to apply ethical principles and practices in a variety of settings through self reflection analyses projects and discussion Written in a reader friendly style each part of the book is layered around organizational behavior The parts introduce moral theories used in ethical problem solving examines individual motivations looks at the ethical dilemmas of groups teams and leaders as well as offers strategies for creating ethical cultures and promoting social responsibility This book shows how readers can develop their ethical expertise and provides opportunities to practice problem solving to defend their decisions
