Rowling: A Bibliography 1997-2013* Philip W. Errington,2015-02-26 As someone who respects comprehensive research I am in awe of the level of detail and amount of time Philip Errington has dedicated to this slavishly thorough and somewhat mind boggling bibliography J K Rowling This is the definitive bibliography of the writings of J K Rowling In addition to complete bibliographic details of each edition of all her books pamphlets and original contributions to published works there is detailed information on the publishing history of her work including fascinating extracts from correspondence and information on Rowling at auction This will be the first source

on Rowling consulted by textual scholars book dealers and collectors auction houses critics and researchers The aim of the book is to record fact and dispel rumour on the fascinating publishing history of the Harry Potter series **J.K. Rowling: A Bibliography** Philip W. Errington, 2017-09-21 This is the definitive bibliography of the writings of J K Rowling In addition to bibliographical details of each edition of all her books pamphlets and original contributions to published works there is detailed information on the publishing history of her work including fascinating extracts from correspondence and information on Rowling at auction This edition has been fully revised and updated to include over 50 new editions published since 2013 including the newly jacketed 2014 children s editions of the Harry Potter books as well as the 2015 illustrated edition of Harry Potter and the Philosopher s Stone The works of Robert Galbraith are also included *Competing Comparative Constructions in Europe* Thomas Stolz, 2013-10-24 This in depth areal typological study analyzes the grammatical means which are employed in the languages of Europe to express the comparative of inequality superiority The extant theories and hypotheses about the morphosyntactic structure and the cross linguistic distribution of construction types are reviewed The behavior of comparatives under the conditions of language contact is discussed Data from more than 170 standard and nonstandard varieties of European languages are scrutinized systematically The synchronic picture is complemented by a chapter on the diachrony of comparative constructions The European facts are compared to those of the geographically adjacent Asian and African regions It is argued that cross linguistic investigations must take account also of so called secondary options These secondary options suggest strongly that the supposedly dominant role of the particle comparative cannot be upheld for Europe Moreover only the secondary options allow us to draw isoglosses which cross the borders between Europe and Asia and Africa *Bowker's Guide to Characters in Fiction*, 2003 *The Translator*, 2003

Ideological Manipulation of Children's Literature Through Translation and Rewriting Vanessa Leonardi, 2020-07-06 This book explores the topic of ideological manipulation in the translation of children s literature by addressing several crucial questions including how target language norms and conventions affect the quality of a translation how translations are selected on the basis of what is culturally accepted who is involved in the selection of what should be translated for children in the target culture and how this process takes place The author presents different ways of looking at the translation of children s books focusing particularly on the practices of intralingual and interlingual translations as a form of rewriting across a selection of European languages This book will be of interest to Translation Studies and children s literature scholars as well as those with a wider interest in the impact of ideology on culture *Lebano-Pathography* Sleiman El Hajj, 2024-08-23 This book of autobiographical autoethnographic illness narratives tackles the intersection between cultural and medical illnesses in present day Lebanon in relation to topical issues such as queer home coming of age dementia expatriate trauma and sexual blackmail among others The book s essays are developed in the backdrop of Lebano pathography a dual potentially adaptable and reusable narrative intervention form method that does not depoliticise the

traumatic subject Simultaneously it is a body of writing text that seeks to illuminate the different ways one can be ill and try to recover in present day Lebanon While somatic manifestations of illness and their concomitant patient accounts are central to previous research in narrative medicine and illness writing Lebano pathography underscores a more versatile interpretation of illness encompassing cultural practice and or clinical disease and exploring in critically informed autobiographical text the two illness categories causal interrelationship In the backdrop of the cadaverous political grid and economic tensions rending the country since the national tragedy of the August 4 2020 explosion of Beirut Port this volume unpacks the following thematic clusters 1 Rewriting Illness Pathographies of Gender and Sex 2 The Alzheimer Spectrum Cognitive and or Cultural Memory Failure 3 Walking the City Medical Malpractice Pedestrian Injuries and Claustophobia 4 The Bones Within Immigrant Narratives and Vicarious Trauma and 5 Surviving Trauma Coping and Mental Health The chapters in this book were originally published in Life Writing and are accompanied by a new conclusion *The Beginning Translator's Workbook* Michele H. Jones, 2014-03-18 This workbook combines methodology and practice for beginning translators with a solid proficiency in French It assumes a linguistic approach to the problems of translation and addresses common pitfalls including the delineation of translation units word polysemy false cognates and structural and cultural obstacles to literal translation The first part of the book focuses on specific strategies used by professionals to counter these problems including transposition modulation equivalence and adaptation The second part of the book provides a global application of the techniques taught in the opening sections guiding the student through step by step translations of literary and non literary excerpts The revised edition clarifies some of the finer points of the translation techniques introduced in the first edition provides extra practice exercises and offers information on a website that can be used in class
