**Heroism in the Harry Potter Series** Katrin Berndt, Lena Steveker, 2016-04-22 Taking up the various conceptions of heroism that are conjured in the Harry Potter series this collection examines the ways fictional heroism in the twenty first century challenges the idealized forms of a somewhat simplistic masculinity associated with genres like the epic romance and classic adventure story The collection's three sections address broad issues related to genre Harry Potter's development as the central heroic character and the question of who qualifies as a hero in the Harry Potter series Among the topics are Harry Potter as both epic and postmodern hero the series as a modern day example of psychomachia the series indebtedness to the Gothic tradition Harry's development in the first six film adaptations Harry Potter and the idea of the English gentleman Hermione Granger's explicitly female version of heroism adult role models in Harry Potter and the complex depictions of heroism exhibited by the series minor characters Together the essays suggest that the Harry Potter novels rely on established generic moral and popular codes to develop new and genuine ways of expressing what a globalized world has applauded as ethically exemplary models of heroism based on responsibility courage humility and kindness

Rowling Interview, New Chapter & Photos** Melissa Anelli, 2008-11-04 A new enhanced e book edition featuring an extended transcript from Melissa Anelli's exclusive interview with J K Rowling and a new updated chapter Melissa Anelli wears a ring that was a gift to her from J K Rowling given as a measure of appreciation for the work she does on The Leaky Cauldron where her job entails being a fan reporter guardian and spokesperson for the Harry Potter series For ten years millions of fans have lived inside literary history the only fans to know what it was like when Harry Potter was unfinished When anticipation for a book was just as likely to cause a charity drive as a pistol shootout When millions of rabid fans looked to friends families neighbors forums discussion groups fan fiction and podcasts to get their fix between novels When the death of a character was a hotter bet than who'd win the World Series When one series of books had the power to change the way books are read This has been a time when a book was more popular than movies television and video games The series has spawned a generation of critical thinkers and new readers The New York Times changed the way it reported book sales just to avoid a continual overpowering of its bestseller list These events must be given their proper context and this moment must be preserved The series will remain important to literature and pop culture but the experience will change Harry's fate will be as commonly known as the identity of Luke Skywalker's father and readers who never had to wait for a Harry Potter book will have no idea what transpired when the series had hundreds of millions of people waiting desperately for the next volume

We are the first wave of Harry Potter fans the ones that are living in the time that shapes how Harry Potter will be remembered for all time But when this era is over fans will need some way to remember this strange wonderful dizzying experience Future fans too will want to know what they missed Harry Potter will exist as a seven book series but without the indivisible story of the cultural literary and emotional impact the series has made the story is incomplete How can a fan understand Harry Potter without hearing about the midnight book parties the scams the theories the burglaries the bets the bannings and most importantly the worldwide camaraderie spurred on by mutual love of a boy wizard How can they know how Harry Potter changed and touched the lives of so many without hearing it first hand Harry A History tells this story It tells the personal story of Melissa Anelli s journey through the very heart of Harry Potter fandom And wraps this phenomenon up into one narrative factual volume one book that tells what happened when Harry Potter met the world

**Harry Potter and the Philosopher's Stone** Joanne Kathleen Rowling, 2001-02-06 The Greek translation of the first Harry Potter book Harry Potter and the Philosopher s Stone in which Harry Potter a normal eleven year old boy discovers that he is a wizard Long ago Harry s parents were killed in a battle with the evil Lord Voldemort When we first meet Harry he is living miserably with his repulsive and nonmagical or Muggle Aunt Petunia and Uncle Vernon Dursley and their even more revolting son Dudley Following a bizarre but hilarious chain of events Harry finds himself at Hogwarts School of Witchcraft and Wizardry with an outrageous cast of characters including super smart Hermione Granger vile Draco Malfoy sinister Professor Snape and wise Headmaster Albus Dumbledore Adventures galore ensue Harry Potter and the Sorcerer's Stone J. K. Rowling, 1998 Rescued from the outrageous neglect of his aunt and uncle a young boy with a great destiny proves his worth while attending Hogwarts School for Wizards and Witches
