Harry Potter Magical Places From The Films Harper Design:

J. K. Rowling Cynthia Hallett, Peggy Huey, 2012-11-01 J K Rowling's popular series of books about the boy wizard Harry Potter has captivated readers of all ages around the world. Selling more than 400 million copies and adapted into highly successful feature films, the stories have attracted both critical acclaim and controversy. In this collection of brand new essays, an international team of contributors examines the complete Harry Potter series from a variety of critical angles and approaches. There are discussions on topics ranging from fairytale race and gender through to food, medicine, queer theory, and the occult. The volume also includes coverage of the films and the afterlife of the series with the opening of Rowling's Pottermore website. Essential reading for anyone with an interest in the Harry Potter phenomenon, this exciting resource provides thoughtful new ways of exploring the issues and concepts found within Rowling's world. Hollywood Heroines

Laura L. S. Bauer, 2018-12-07 This is a topical resource that provides a comprehensive look at the most influential women in Hollywood cinema across a wide range of occupations rarely found together in a single volume. Unlike other anthologies, Hollywood Heroines: The Most Influential Women in Film History is a hybrid of film history and industry information with an exclusive focus on prominent women. This reference work includes more commonly discussed categories of important women in Hollywood film history, such as directors and actresses, and reaches beyond them to encompass women working as cinematographers, casting directors, studio heads, musical composers, and visual and special effects supervisors. Dive into interviews with industry legends such as Sherry Lansing, the first woman to run major Hollywood studios like 20th Century Fox and Paramount Studios; Jodie Foster, acclaimed actress and director; Zo Bell, renowned stuntwoman; Donna Gigliotti, Academy Award-winning producer; Vicky Jenson, animation director of *Shrek*; Ve Neill, makeup artist behind *The Hunger Games* and *Pirates of the Caribbean*; and a host of other influential women in visual effects, editing, casting, costume, cinematography, and sound, each of whom has left their mark in film history. The wide range of filmmaking crafts covered in the book provides an acute view of the industry and increases the visibility of and quality of representation for women working in Hollywood. By bringing the experience of these influential women to light, Hollywood Heroines joins a growing movement that endeavors to dismantle harmful, long-standing industry myths that perpetuate the systemic underrepresentation of women and the devaluation of women's stories in the Hollywood film industry.
