## **Harvest Of Innocence:**

*A Harvest of Innocence* Dan Stidham, Tom McCarthy, 2023 A Harvest of Innocence is my story until now untold regarding my involvement in the West Memphis 3 murder case I stepped into its current as a young lawyer unaware of its strength and the immutable unpredictable eddies that would forever change my life and my view of the law I tell it now because it must be told I have spent most of the past 30 years viewed in widely disparate lights In the beginning to some I was a pariah a man so bold as to represent a teenager accused of being a Satanic child killer Much later others began to respect my efforts in seeking justice for Jessie Misskelley In the real world it is much more complicated than that I was nothing more than a lawyer committed to doing my job what was required of me by my moral compass As a reward for my efforts I spent a good deal of the past 30 years being pummeled by those hellbent on stopping my quest for justice for the West Memphis 3 young men who spent nearly two decades in prison for heinous crimes they simply did not commit This is the true story of those events
