Harvey Wang's New York Harvey Wang, 1990 Where else but New York Where would you still find a 97 year old scrap metal collector a pillow maker a mannequin maker or someone who still digs graves with a shovel In New York but not for long These beautiful and often poignant portraits show us men and women in vanishing jobs and professions As machines and electronics take over as gentrification or changes in customs occur a way of life disappears But Harvey Wang was able to document these lives before it was too late The photographs and descriptions will entertain and inform us all **Harvey Wang's New York** Pete Hamill, 1990 Looks at individuals with odd professions such as a seltzer bottler a burlesque comedian a rope fender maker and a diarist *New York Magazine* , 1991-02-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York* , 1998 **New York Magazine** , 1991-02-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **American Photo** , 1991-05

The Poetry of Everyday Life Steve Zeitlin, 2016-09-02 This is a book of encounters Part memoir part essay and partly a guide to maximizing your capacity for fulfillment and expression The Poetry of Everyday Life taps into the artistic side of what we often take for granted the stories we tell the people we love the metaphors used by scientists even our sex lives A folklorist writer and cultural activist Steve Zeitlin explores how poems serve us in daily life and how they are used in times of personal and national crisis In the first book to bring together the perspectives of folklore and creative writing Zeitlin explores meaning and experience covering topics ranging from poetry in the life cycle to the contemporary uses of ancient myths This convergence of poetry and folklore he suggests gives birth to something new a new way of seeing ourselves and a new way of being in the world Written with humor and insight the book introduces readers to the many eccentric and visionary characters Zeitlin has met in his career as a folklorist Covering topics from Ping Pong to cave paintings from family poetry nights to delectable dishes at his favorite ethnic restaurants The Poetry of Everyday Life will inspire readers to expand their consciousness of the beauty that resides in everyday things and to use creative expression to engage and animate that beauty toward living a more fulfilling awakened life full of laughter To live a creative life is the best way to engage with the beauty of the everyday Visit the author s website for The Poetry of Everyday Life at <http://citylore.org> the poetry of everyday life The Lower East Side Remembered and Revisited Joyce Mendelsohn, 2009-09-24 The Lower East Side has been home

to some of the city's most iconic restaurants shopping venues and architecture The neighborhood has also welcomed generations of immigrants from newly arrived Italians and Jews to today's Latino and Asian newcomers This history has become somewhat obscured however as the Lower East Side can appear more hip than historic with wealth and gentrification changing the character of the neighborhood Chronicling these developments along with the hidden gems that still speak of a vibrant immigrant identity Joyce Mendelsohn provides a complete guide to the Lower East Side of then and now After an extensive history that stretches back to Manhattan's first settlers Mendelsohn offers 5 self guided walking tours including a new passage through the Bowery that take the reader to more than 150 sites and highlight the dynamics of a community of contrasts aged tenements nestled among luxury apartment towers about historic churches and synagogues With updated and revised maps historical data and an entirely new community to explore Mendelsohn writes a brand new chapter in an old New York story
