

Hate Speech Law and Policy

CHERIAN GEORGE

Hong Kong Baptist University, Hong Kong

There is no standard definition of hate speech, but the term is normally used to cover forms of expression aimed at persecuting people by vilifying their racial, ethnic, or other identities. While the immediate target may be a single person or small group, the harm caused by hate speech can extend to entire communities by promoting discrimination and intolerance. In the extreme, hate speech has been used to promote violence and genocide. While the term is always used pejoratively and implies a moral breach, not all hate speech is dangerous enough to merit government regulation. The central law and policy debate over hate speech is where to draw the line between expression that is merely morally objectionable and expression that should be declared legally impermissible. The latter end of the spectrum is sometimes referred to as dangerous or extreme speech.

Hate speech presents a complex policy challenge because what its object perceives as unconscionable could, from the speaker's perspective, be a legitimate expression of genuine grievances and/or a form of political speech. Thus, hate speech often brings two foundational rights into conflict – equality, including the right to be protected from discrimination, and freedom of expression. Digital communication has compounded the problem. First, it spreads messages beyond the intended audience and contexts, with consequences that may be impossible for their creators and publishers to foresee. Second, digital tools – including photo editing software and video games – increase the likelihood of messages being actively manipulated and recontextualized by third parties, again with unpredictable results. Third, digital platforms provide a more open arena for “crowdsourcing” hate speech: many individuals can get involved in the generation,

propagation, and escalation of such expression to a degree not previously possible. Fourth, online hate speech raises jurisdictional conundrums, given the lack of international consensus on laws and norms, including over the liability and responsibilities of global internet intermediaries such as Google and Facebook.

In international law and in every domestic jurisdiction, freedom of expression is a qualified right: states can lawfully limit this right in certain circumstances. There is no consensus on when hate speech falls within those circumstances. Policy responses cluster around three broad approaches. One requires states to balance the right to freedom of expression with the need to protect minorities against incitement to discrimination, hostility, or violence. This is the thrust of international human rights law, which has been usefully crystallized in the Camden Principles on Freedom of Expression and Equality – a 2009 document signed by high-level United Nations and other officials, civil society representatives, and academic experts (Article 19, 2009). These principles are based on the International Covenant on Civil and Political Rights (ICCPR), which informs the work of the United Nations Human Rights Committee and Human Rights Council. Similar balancing approaches are taken by the European Court of Human Rights (which applies the Council of Europe's European Convention for the Protection of Human Rights and Fundamental Freedoms), the Inter-American Court of Human Rights (which applies the Organization of American States' American Convention on Human Rights), and the African Court on Human and Peoples' Rights (applying the African Union's African Charter on Human and Peoples' Rights).

A second approach is epitomized by US jurisprudence. To keep public discourse wide open and free of government interference, the US Supreme Court resists regulation that discriminates among viewpoints, including prohibitions of offensive words or symbols. As a result, hate speech is generally considered to be protected by the First Amendment to the Constitution.

Hate Speech Law Hate Speech Law:

The Politics of Hate Speech Laws Alexander Brown, Adriana Sinclair, 2019-09-18 This book examines the complex relationship between politics and hate speech laws domestic and international How do political contexts shape understandings of what hate speech is and how to deal with it Why do particular states enact hate speech laws and then apply extend or reform them in the ways they do What part does hate speech play in international affairs Why do some but not all states negotiate agree and ratify international hate speech frameworks or instruments What are some of the best and worst political arguments for and against hate speech laws Do political figures have special moral duties to refrain from hate speech Should the use of hate speech by political figures be protected by parliamentary privilege Should this sort of hyperpolitical hate speech be subject to the laws of the land civil and criminal Or should it instead be handled by parliamentary codes of conduct and procedures or even by political parties themselves What should the codes of conduct look like Brown and Sinclair answer these important and overlooked questions on the politics of hate speech laws providing a substantial body of new evidence insights arguments theories and practical recommendations The primary focus is on the UK and the US but several other country contexts are also explored and compared in detail including Nigeria Kenya South Africa India China Japan Turkey Germany Hungary and Italy Methodologically the two authors draw on approaches and concepts from a range of academic disciplines including law and legal theory political theory applied ethics political science and sociology international relations theory and international law

Hate Speech Law Alex Brown, 2015-03-05 Hate speech law can be found throughout the world But it is also the subject of numerous principled arguments both for and against These principles invoke a host of morally relevant features e g liberty health autonomy security non subordination the absence of oppression human dignity the discovery of truth the acquisition of knowledge self realization human excellence civic dignity cultural diversity and choice recognition of cultural identity intercultural dialogue participation in democratic self government being subject only to legitimate rule and practical considerations e g efficacy the least restrictive alternative chilling effects The book develops and then critically examines these various principled arguments It also attempts to de homogenize hate speech law into different clusters of laws regulations codes that constrain uses of hate speech so as to facilitate a more nuanced examination of the principled arguments Finally it argues that it is morally fitting for judicial and legislative judgments about the overall warrant of hate speech law to reflect principled compromise Principled compromise is characterized not merely by compromise over matters of principled concern but also by compromise which is itself governed by ideals of moral duty or civic virtue e g reciprocity equality and mutual respect The Open Access version of this book available at <https://doi.org/10.4324/9781315714899> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Offensive Speech, Religion, and the Limits of the Law Nicholas Hatzis, 2021 Is a government justified in restricting speech offensive to religious belief If so what principles are at stake Drawing on

constitutional theory and social and political philosophy this book discusses the normative reasons that support or negate government interference and their interaction with individual and collective religious freedom **Freedom of speech vs.**

Hate speech Caroline Mutuku, 2018-06-14 Essay from the year 2018 in the subject Law Civil Action Lawsuit Law grade 1 2 language English abstract Freedom of speech appears to be one of the most fundamental rights of the U S citizens This provision is protected by the U S Constitution through the First Amendment of the American Constitution therefore it guarantees the U S citizens with freedom of expression The amendment states Congress shall make no law abridging the freedom of speech or of the press Germani par 1 However hate speech is regarded to as a legal crime because it interferes with other provisions in the U S Bill of Rights As a result there have been numerous enactments carried out by the U S Legislature to protect the loyalty of the U S citizens through expression In regard to the First Amendment of the U S Constitution an individual can be convicted of hate speech crime in circumstances where one s statements evoke violence Moreover statements which constitute threats to other people or the Government are regarded to as hate speech crime However conviction of an individual for crimes related to hate speech requires legal approaches to justify the individual s breach of the law Huhn states Even in cases where it is clear that a person is threatening violence the person may be criminally prosecuted only if the law in question is carefully drawn so that it applies only in appropriate cases **Atrocity**

Speech Law Gregory S. Gordon, 2017-04-11 This book is the first comprehensive study of the international law encompassing hate speech Prof Gordon provides a broad analysis of the entire jurisprudential output related to speech and gross human rights violations for courts government officials and scholars The book is organized into three parts The first part covers the foundation a brief history of atrocity speech and the modern treatment of hate speech in international human rights treaties and judgments under international criminal tribunals The second part focuses on fragmentation detailing the inconsistent application of the charges and previous prosecutions including certain categories of inflammatory speech and a growing doctrinal rift between the ICTR and ICTY The last part covers fruition recommendations on how the law should be developed going forward with proposals to fix the problems with individual speech offenses to coalesce into three categories of offense incitement speech abetting and instigation Hate Crimes James B. Jacobs, Kimberly Potter, 1998 Discusses the evolution of

hate crime laws in the United States examining the effectiveness of such laws the interpretation of their legal definitions and the challenges they pose to law enforcement officials HATE Nadine Strossen, 2018-04-02 The updated paperback edition of HATE dispels misunderstandings plaguing our perennial debates about hate speech vs free speech showing that the First Amendment approach promotes free speech and democracy equality and societal harmony As hate speech has no generally accepted definition we hear many incorrect assumptions that it is either absolutely unprotected or absolutely protected from censorship Rather U S law allows government to punish hateful or discriminatory speech in specific contexts when it directly causes imminent serious harm Yet government may not punish such speech solely because its message is disfavored

disturbing or vaguely feared to possibly contribute to some future harm Hate speech censorship proponents stress the potential harms such speech might further discrimination violence and psychic injuries However there has been little analysis of whether censorship effectively counters the feared injuries Citing evidence from many countries this book shows that hate speech are at best ineffective and at worst counterproductive Therefore prominent social justice advocates worldwide maintain that the best way to resist hate and promote equality is not censorship but rather vigorous counterspeech and activism

Genocide Denials and the Law Ludovic Hennebel, Thomas Hochmann, 2011 In *Genocide Denials and the Law* Ludovic Hennebel and Thomas Hochmann offer a thorough study of the relationship between law and genocide denial from the perspectives of specialists from six countries This controversial topic provokes strong international reactions involving emotion caused by denial along with concerns about freedom of speech The authors offer an in depth study of the various legal issues raised by the denial of crimes against humanity presenting arguments both in favor of and in opposition to prohibition of this expression They do not adopt a pro or contra position but include chapters written by proponents and opponents of a legal prohibition on genocide denial Hennebel and Hochmann fill a void in academic publications by comparatively examining this issue with a collection of original essays They tackle this diverse topic comprehensively addressing not only the theoretical and philosophical aspects of denial but also the specific problems faced by judges who implement anti denial laws *Genocide Denials and the Law* will provoke discussion of many theoretical questions regarding free speech including the relationship between freedom of expression and truth hate memory and history

Protecting Hate Speech: R.A.V. v. St. Paul Susan Dudley Gold, 2014-01-01 The First Amendment to the U S Constitution guarantees a free press and free speech but those rights are not unlimited In *Protecting Hate Speech R A V v St Paul* award winning author Susan Dudley Gold looks at the issues involved when the Minnesota city of St Paul tried to ban hate speech within its borders The entertaining account of the case explores the fine line legislators must walk when putting restrictions on free speech The U S Supreme Court s decision in the case has become a testament to the sanctity of the First Amendment even when it protects hateful speech and symbol acts that most Americans despise

The Oxford Companion to American Politics David Coates, 2012-07-12 Provides students and scholars with a valuable reference source in the field of American Politics The Companion will equip readers with a deep understanding of the complex interaction between governmental institutions and processes and the wider American economy and society that they govern

The Far-Right in International and European Law Natalie Alkiviadou, 2019-04-18 Since the Second World War the international community has sought to prevent the repetition of destructive far right forces by establishing institutions such as the United Nations and by adopting documents such as the Universal Declaration of Human Rights Jurisprudence and conventions directly prohibit far right speech and expression Nevertheless recently violent far right entities such as Golden Dawn of Greece have received unprecedented electoral support xenophobic parties have done spectacularly well in elections and countries such as Hungary and Poland are being led by right wing populists who are bringing constitutional upheaval and violating basic elements of doctrines such as the rule of law In light of this current reality this book critically assesses the international and European tools available for States to regulate the far right It conducts the analysis through a militant democracy lens This doctrine has been considered in several arenas as a concept more generally in the sphere of the European Convention on Human

Rights in relation to particular freedoms such as that of association and as a tool for challenging the far right movement through the spectrum of political science However this doctrine has not yet been applied within a legal assessment of challenging the far right as a single entity After analysing the aims objectives scope and possibility of shortcomings in international and European law the book looks at what state obligations arise from these laws It then assesses how freedom of opinion and expression freedom of association and freedom of assembly are provided for in international and European law and explores what limitation grounds exist which are directly relevant to the regulation of the far right The issue of the far right is a pressing one on the agenda of politicians academics civil society and other groups in Europe and beyond As such this book will appeal to those with an interest in International European or Human rights Law and political science

Human Rights Controversies Luke McNamara,2007-08-07 A comparative socio legal examination of three recent controversies in four countries this book provides a foundation for finding answers to many of the questions surrounding the universality of human rights values

Studies in Law, Politics, and Society Austin Sarat,2021-01-18 This volume brings together an interdisciplinary collection of scholars to critically examine issues around hatred and the law With chapters on different elements of the nexus between hatred and law the volume makes a key contribution to the field and is essential reading for legal scholars

Hate Speech Law Hate Speech Law Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Hate Speech Law Hate Speech Law PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Hate Speech Law Hate Speech Law PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Hate Speech Law Hate Speech Law free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Hate Speech Law Hate Speech Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Hate Speech Law Hate Speech Law is one of the best book in our library for free trial. We provide copy of Hate Speech Law Hate Speech Law in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Hate Speech Law Hate Speech Law. Where to download Hate Speech Law Hate Speech Law online for free? Are you looking for Hate Speech Law Hate Speech Law PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Hate Speech Law Hate Speech Law. This method for see exactly what may be included and adopt these ideas to your book. This site will almost

certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Hate Speech Law Hate Speech Law are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Hate Speech Law Hate Speech Law. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Hate Speech Law Hate Speech Law To get started finding Hate Speech Law Hate Speech Law, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Hate Speech Law Hate Speech Law So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Hate Speech Law Hate Speech Law. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Hate Speech Law Hate Speech Law, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Hate Speech Law Hate Speech Law is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Hate Speech Law Hate Speech Law is universally compatible with any devices to read.
