Haunted Wilderness Gothic And Grotesque In Canadian Fiction:

Peripheral Fear Gerry Turcotte, 2009 This is a pioneering work published here for the first time in its complete form At a time when Gothic studies still concentrated on traditional European and American Gothic the author laid the foundations for the exploration of how Gothic conventions were transported and transformed in places remote from Europe Through a detailed reading of 19th and 20th century examples of Canadian and Australian Gothic fiction this work demonstrates the transformative potential of a once much maligned mode in what were arguably neglected national literatures **The**

Haunted Wilderness Margot Northey, 1976-12-15 Gothic elements in English Canadian fiction have generally been regarded as idiosyncratic outcroppings or in French Canadian novels as a temporary phenomenon rather than as part of a recurring Canadian pattern By analysing a number of Canadian works of fiction from the nineteenth century to the present Margot Northey demonstrates that Gothicism in varying degrees and of various kinds has been a continuing feature of our fiction She uses gothic to refer to a subjective view of the dark side of life seen through the distorting mirror of the self with its submerged levels of psychic and spiritual experiences The gothic is essentially symbolic in its approach and its mood is pre eminently one of terror or horror Grotesque frequently used in conjunction with gothic is taken as an aesthetic term referring to a mode of writing emphasizing incongruity disorder and deformity It arises from the juxtaposition or clash of the ideal with the real the psychic with the physical or the concrete with the symbolic Detailed treatment is given to a limited number of works some from the nineteenth century some from the twentieth and the focus is on varieties of gothic and grotesque fiction rather than on specific authors *The Haunted Wilderness* is a fascinating and original contribution to Canadian comparative studies and to genre oriented criticism *The Haunted Wilderness* Margot Northey, 1997-01-01

Unsettled Remains Cynthia Sugars, Gerry Turcotte, 2010-08-27 *Unsettled Remains* Canadian Literature and the Postcolonial Gothic examines how Canadian writers have combined a postcolonial awareness with gothic metaphors of monstrosity and haunting in their response to Canadian history The essays gathered here range from treatments of early postcolonial gothic expression in Canadian literature to attempts to define a Canadian postcolonial gothic mode Many of these texts wrestle with Canada's colonial past and with the voices and histories that were repressed in the push for national consolidation but emerge now as uncanny reminders of that contentious history The haunting effect can be unsettling and enabling at the same time In recent years many Canadian authors have turned to the gothic to challenge dominant literary political and social narratives In Canadian literature the postcolonial gothic has been put to multiple uses above all to figure experiences of ambivalence that have emerged from a colonial context and persisted into the present As these essays demonstrate formulations of a Canadian postcolonial gothic differ radically from one another depending on the social and

cultural positioning of who is positing it Given the preponderance in colonial discourse of accounts that demonize otherness it is not surprising that many minority writers have avoided gothic metaphors In recent years however minority authors have shown an interest in the gothic signalling an emerging critical discourse This spectral turn sees minority writers reversing long standing characterizations of their identity as monstrous or invisible in order to show their connections to and disconnection from stories of the nation

Gothic Canada Justin D. Edwards, 2010-02-02 Canadians have always been obsessed with the idea of their own identities Stories that tell us who we are provide a reassuring sense of identity for the individual and the nation Hockey Maple Leaves Beavers But collective stories tend to be haunted by a fear that a shared narrative might be nothing more than an elaborate artifice This fear has long been a source of gothic inspiration for Canadian writers A haunted Canadian self returns again and again Polite Friendly Not American With examples of gothic discourse from Canadian fiction autobiography film poetry and drama Justin Edwards analyzes the ghost at the heart of the nation A major contribution to cultural and literary studies Gothic Canada unearths two centuries of Canadian gothic writings to reveal uncanny traditions of trauma repression and monstrosity

Gothic Writers Douglass H. Thomson, Jack G. Voller, Frederick S. Frank, 2001-11-30 With its roots in Romanticism antiquarianism and the primacy of the imagination the Gothic genre originated in the 18th century flourished in the 19th and continues to thrive today This reference is designed to accommodate the critical and bibliographical needs of a broad spectrum of users from scholars seeking critical assistance to general readers wanting an introduction to the Gothic its abundant criticism and the present state of Gothic Studies The volume includes alphabetically arranged entries on more than 50 Gothic writers from Horace Walpole to Stephen King Entries for Russian Japanese French and German writers give an international scope to the book while the focus on English and American literature shows the dynamic nature of Gothicism today Each of the entries is devoted to a particular author or group of authors whose works exhibit Gothic elements beginning with a primary bibliography of works by the writer including modern editions This section is followed by a critical essay which examines the author's use of Gothic themes the author's place in the Gothic tradition and the critical reception of the author's works The entries close with selected annotated bibliographies of scholarly studies The volume concludes with a timeline and a bibliography of the most important broad scholarly works on the Gothic

Gothic forms of feminine fictions Susanne Becker, 2017-06-01 Gothic forms of feminine fictions is a study of the powers of the Gothic in late twentieth century fiction and film Susanne Becker argues that the Gothic two hundred years after it emerged exhibits renewed vitality in our media age with its obsession for stimulation and excitement Today's globalised entertainment culture relying on soaps reality TV shows celebrity and excess is reflected in the emotional trajectory of the Gothic's violence eroticism and sentimental excess Gothic forms of feminine fictions discusses a wide range of anglophone Gothic romances from the classics through pulp fictions to a postmodern Gothica This timely and original study is a major contribution to gender and genre theory as well as cultural criticism of the contemporary

It will appeal to scholars in a wide range of fields and become essential for students of the Gothic contemporary fiction particularly Alice Munro and Margaret Atwood and popular culture

Literary Culture and Female Authorship in Canada 1760-2000 Faye Hammill, 2021-10-18 There are two ladies in the province I am told who read writes Frances Brooke's *Arabella Fermor* but both are above fifty and are regarded as prodigies of erudition Brooke's *The History of Emily Montague* 1769 was the first work of fiction to be set in Canada and also the first book to reflect on the situation of the woman writer there Her analysis of the experience of writing in Canada is continued by the five other writers considered in this study Susanna Moodie Sara Jeannette Duncan L M Montgomery Margaret Atwood and Carol Shields All of these authors examine the social position of the woman of letters in Canada the intellectual stimulation available to her the literary possibilities of Canadian subject matter and the practical aspects of reading writing and publishing in a post colonial country This book turns on the ways in which those aspects of authorship and literary culture in Canada have been inscribed in imaginative autobiographical and critical texts by the six authors It traces the evolving situation of the Canadian woman writer over the course of two centuries and explores the impact of social and cultural change on the experience of writing in Canada

Dangerous Spirits Shawn Smallman, 2015 An examination of the role of windigo narratives among the Algonquian peoples of North America and how those narratives were influenced through colonialism

The Postwar Novel in Canada Rosmarin Heidenreich, 2006-01-01 As a comparative study which includes the analysis of both English Canadian and Quebec novels this book provides an overview of the novel as it has developed in this country since the Second World War Focusing on narratological rather than thematic elements the book represents a systematic application of the insights and analytical tools of reader reception theory in particular the models proposed by Wolfgang Iser and Hans Robert Jauss Placing the emphasis on the text and its effects rather than on the historical or psycho sociological genesis of the text the author invokes the models and paradigms of other literatures to establish a broader cultural context permitting the significance of a literature to emerge as a carrier of meaning in and beyond the culture that produces it Tracing a critical path from Hugh MacLennan's hierarchic romance structures and Gabrielle Roy's social realism to the metafiction of Hubert Aquin and Timothy Findley the author reveals that the novel's narratological features themselves are often closely linked with ideological positions

depictions of Native characters Although a world separated into two categories defined by light and dark reason and emotion mind and body technology and nature future and past is no longer also characterized as good and evil revaluing the tropes has not made them disappear And without their disappearance good intentions notwithstanding nonaboriginal Canadian writers will continue to portray Native characters as part of a dead and dying culture Groening demonstrates that the real issue cannot be about censorship as censorship involves the abrogation of freedom and the imagination is never truly free
