collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties era forces of social change In piecing together his fragmented personal history and his search for redemption Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear I truly believe this is the one book I was put on earth to write says Yancey So many of the strands from my childhood racial hostility political division culture wars have resurfaced in modern form Looking back points me forward **Fresh Hope for Today** Grace
