Graceful For Young Women Letting Go Of Your Try Hard Life

Alfred Emanuel Smith, Francis Walton

Graceful For Young Women Letting Go Of Your Try Hard Life:

Graceful (For Young Women) Emily P. Freeman, 2012-09 Discusses how to let go of unreasonable expectations both from outside forces and one's own expectations and learn to accept the life God has planned leading to a happier stress free life

Graceful (For Young Women) Emily P. Freeman, 2012-09-01 You know her the good girl She's the reliable one who shows up every week at youth group wearing a purity ring and a smile She gets good grades makes the team and doesn't need to be told to come home on time But deep down she is crushed by the weight of the responsibility to be the good one the smart one the one who never messes up With the same candor and gentle spirit she showed women in *Grace for the Good Girl* Emily Freeman now gives young women what they need to be free on the inside no matter what's going on outside Through an honest look at the roles girls play she helps them learn to stop trying and start trusting that the Jesus who came to save them also comes to live with them right here and now

Grace for the Good Girl Emily P. Freeman, 2011-09-01 Many of us believe that we are saved by grace but for too many that's the last time grace defines our life Instead of clinging to grace we strive for good and believe that the Christian life means hard work and a sweet disposition As good girls we focus on the things we can handle our disciplined lives and our unshakable good moods When we fail to measure up to our own impossible standards we hide behind our good girl masks determined to keep our weakness a secret In *Grace for the Good Girl* Emily Freeman invites women to let go of the try hard life and realize that in Christ we are free to receive from him rather than constantly try to achieve for him With an open hand and a whimsical style Emily uncovers the truth about the hiding encouraging women to move from hiding behind girl made masks and do good performances to a life hidden with Christ in God

Preach to Yourself Hayley Morgan, 2018-10-02 Break the cycle of doubting yourself take God at His word and talk back with truth a new message of freedom from bestselling coauthor of *Wild and Free* Hayley Morgan We know Christ came to speak life but then how come our inner critic keeps showing up and stealing the mic If we're honest she's a harsh one saying things we'd never dream of saying to others You'll never measure up you'll fail again tomorrow you just can't get it right It has been said that the eighteen inches from head to heart is the soul's longest journey Our head knows the good news is true but our heart struggles to believe it and it is in this gap that we battle to believe the promises of God Hayley Morgan coauthor of bestselling book *Wild and Free* has wrestled with this tension her whole life In *Preach to Yourself* she tackles it head on to discover how we can renew our minds to renew our lives For every woman who struggles with repetitive negative self talk this book will show you how to identify the toxic loops where you get stuck and replace them with the truth of God we can believe with our whole selves This is not a try harder reprimand it's a believe better invitation to take God at His word when He tells you who you are Come along and learn a simple practice to break free from the lies holding you back and step forward into the fullness of life God has planned

A Million Little Ways Emily P. Freeman, 2013-10-01 The majority of us would not necessarily define ourselves as artists We're parents students businesspeople friends We're working hard

trying to make ends meet and often longing for a little more more time more love more security more of a sense that there is more out there The truth We need not look around so much God is within us and he wants to shine through us in a million little ways A Million Little Ways uncovers the creative personal imprint of God on every individual It invites the discouraged parent the bored Christian the exhausted executive to look at their lives differently by approaching their critics their jobs and the kids around their table the same way an artist approaches the canvas with wonder bravery and hope In her gentle compelling style Emily Freeman encourages readers to turn down the volume on their inner critic and move into the world with the courage to be who they most deeply are She invites regular people to see the artistic potential in words gestures attitudes and relationships Readers will discover the art in a quiet word a hot dinner a made bed a grace filled glance and a million other ways of showing God to the world through the simple human acts of listening waiting creating and showing up

Simply Tuesday Emily P. Freeman, 2015-08-11 Our obsession with bigger and faster is spinning us out of control We move through the week breathless and bustling just trying to keep up while longing to slow down But real life happens in the small moments the kind we find on Tuesday the most ordinary day of the week Tuesday carries moments we want to hold onto as well as ones we d rather leave behind It holds secrets we can t see in a hurry secrets not just for our schedules but for our souls It offers us a simple bench on which to sit observe and share our stories For those being pulled under by the strong current of expectation comparison and hurry relief is found more in our small moments than in our fast movements In Simply Tuesday Emily P Freeman helps readers stop dreading small beginnings and embrace today s work find contentment in the now even when the now is frustrating or discouraging replace competition with compassion learn to breathe in a breathless world Jesus lived small moments well slow moments fully and all moments free He lives with us still on all our ordinary days creating and redeeming the world both in us and through us one small moment at a time It s time to take back Tuesday to release our obsession with building a life and believe in the life Christ is building in us every day Our own gazette, ed. by

The Quest for Truth Cindy G. Laur, 2020-09-04 Brother and sister Merrie and Joey visit the carnival at the invitation of their cousin A trip into the House of Mirrors makes them realize things are not what they seem Things that appear truthful are not always so which makes these curious siblings wonder What is Truth They soon meet an unusual friend a beautiful wise white unicorn named Providence Together they journey to seek Truth They look in many places They search through the printed word the media and the opinions of their peers The children even investigate the truth of drugs magic and emotions

Eventually with Providence's help Merrie and Joey learn of the ongoing war between the great Truth Maker and the Truth Hater. They must choose a side in this war and the decision they make could lead others to Truth or into darkness. *Outlook*
