Kerr, Ina Gainer, 1922 [Shark Tales](#) Ron Liebman, 2001-02-21 QUESTION How many lawyers does it take to finish the roof of a two thousand square foot house with dormers ANSWER Depends on how thin you slice them Lawyers and more to the point lawyer stories have been sliced diced and presented for consumption for centuries Ever since Dick the Butcher suggested in Shakespeare's *Henry VI Part 2* that the first thing we do let's kill all the lawyers the profession has exhibited a strong appeal for readers to say nothing of an enduring image problem Today stories about life on the front lines of the nation's courtrooms fuel everything from the novels of John Grisham and Scott Turow to television shows like *The Practice* *Ally McBeal* and *L.A. Law* Now in *Shark Tales* comes a remarkable collection of witty eccentric and astounding war stories guaranteed to be mostly true supplied by hundreds of attorneys and displaying the nitty gritty of life in court To create *Shark Tales* famed Washington lawyer Ron Liebman solicited stories from hundreds of colleagues in

America and Britain and not just any stories He asked them to supply humor of course but also to describe the day on which they were proudest to be lawyers and the day when they were most ashamed He asked for stories of wild divorces and tragic losses He asked them to describe the worst judges and best witnesses they d ever encountered He reviewed actual court transcripts and found material like the following QUESTION Doctor how many autopsies have you performed on dead people ANSWER All my autopsies have been on dead people Here is the tale of a case settled not by a fingerprint left behind at the scene of the crime but an entire finger Here is a lawyer agreeing to defend a client accused of passing bad checks a client who promptly bounced the retainer check Here you ll meet a proud son having won his first case telling his father also a lawyer that justice has triumphed to which the father replied Appeal at once And here is a senior partner in a Washington law firm meeting with a group of Japanese corporate clients with whom he seems compelled to reminisce about the first time he saw Tokyo as a bomber pilot in 1945 Funny revealing sad poignant and even exciting Shark Tales is a hugely entertaining book for legal junkies authentic slices of life that reveal what really makes the law everyone s obsession *The Wheel of Delta Omicron* ,1948 **Montana, Its Story and Biography** Tom Stout,1921 *The Alpha Phi Quarterly* ,1929 The Literary World ,1872 **Irish Statesman** George William Russell,1927 James Russell Lowell and His Friends Edward Everett Hale,1898 When my friend Mr Howland of the Outlook magazine asked me if I could write for that magazine a Life of James Russell Lowell I said at once that I could not While there were certain periods of our lives when we met almost daily for other periods we were parted so that for many years I never saw him I said that the materials for any Life of him were in the hands of others who would probably use them at the proper time Then Mr Howland suggested that without attempting anything which should be called a Life of Mr Lowell I might write for the Outlook a review as it were of the last sixty years among literary and scientific people in Boston and its neighborhood I do not think he wanted my autobiography nor had I any thought of preparing it for him but he suggested the book which is in the reader s hands This was in April 1897
