Smith, David Sobel, 2014-04-08 Place and community based education an approach to teaching and learning that starts with the local addresses two critical gaps in the experience of many children now growing up in the United States contact with the natural world and contact with community It offers a way to extend young people's attention beyond the classroom to the world as it actually is and to engage them in the process of devising solutions to the social and environmental problems they will confront as adults This approach can increase students engagement with learning and enhance their academic achievement Envisioned as a primer

and guide for educators and members of the public interested in incorporating the local into schools in their own communities this book explains the purpose and nature of place and community based education and provides multiple examples of its practice The detailed descriptions of learning experiences set both within and beyond the classroom will help readers begin the process of advocating for or incorporating local content and experiences into their schools **Best Books for Children, Preschool Through Grade 6**, 2006 **Resources in Education**, 1994-12 The Business School Buzz Book Carolyn C. Wise, Stephanie Hauser, 2007 In this updated guide Vault publishes the entire surveys of current students and alumni at more than 100 top business schools Each 4 to 5 page entry is composed almost entirely of insider comments from students and alumni Each school profile features surveys of about 10 students or alumni These narratives provide applicants with detailed and balanced perspectives and insider information on admissions and employment prospects which is lacking in other business school guides *Proselytization Revisited* Rosalind I. J. Hackett, 2014-12-05 The act of converting people to certain beliefs or values is highly controversial in today's postcolonial multicultural world Proselytization has been viewed by some as an aggressive act of political domination Proselytization Revisited offers a comprehensive overview of the many arguments for and against proselytization in different regions and contexts Proselytization is examined in the context of rights talk globalisation and culture wars The volume brings together essays demonstrating the global significance of proselytization ranging from Christians in India to Turkish Islamic Movements and the Wiccan use of modern media technologies The cross cultural and multidisciplinary nature of this collection of essays provides a fresh perspective and the book will be of value to readers interested in the dynamic interaction of beliefs ideas and cultures **Veritas** Ariel Sabar, 2020-08-11 From the National Book Critics Circle Award winning author comes the gripping true story of a sensational religious forgery and the scandal that shook Harvard In 2012 Dr Karen King a star religion professor at Harvard announced a breathtaking discovery just steps from the Vatican she'd found an ancient scrap of papyrus in which Jesus calls Mary Magdalene my wife The mysterious manuscript which King provocatively titled The Gospel of Jesus's Wife had the power to topple the Roman Catholic Church It threatened not just the all male priesthood but centuries of sacred teachings on marriage sex and women's leadership much of it premised on the hallowed tradition of a celibate Jesus Award winning journalist Ariel Sabar covered King's announcement in Rome but left with a question that no one seemed able to answer Where in the world did this history making papyrus come from Sabar's dogged sleuthing led from the halls of Harvard Divinity School to the former headquarters of the East German Stasi before landing on the trail of a Florida man with an unbelievable past Could a motorcycle riding pornographer with a fake Egyptology degree and a prophetess wife have set in motion one of the greatest hoaxes of the century A propulsive tale laced with twists and trapdoors Veritas is an exhilarating globe straddling detective story about an Ivy League historian and a college dropout and how they worked together to pass off an audacious forgery as a long lost piece of the Bible **Multifaceted Assessment**

for Early Childhood Education Robert J. Wright, 2010 Multifaceted Assessment in Early Childhood is ideal for those on upper division undergraduate courses and first level graduate courses in early childhood education assessment. The book covers the various measures used in a range of assessment dimensions and includes valuable information regarding young children with special needs and English Language Learners which has rarely been touched upon in other textbooks. The chapters are focused on student accessibility and include practical applications of key concepts. Features and benefits: Covers a range of assessment concepts including Formative uses feedback from learning to adapt teaching; Summative i.e. tests, quizzes; Authentic focuses on complex deeper tasks; Standardized STAR SAT. Includes coverage of assessment for English language learners and children with special needs topics that are not provided enough coverage in other books including Wortham, McAfee, Puckett and Mindes. Wright's writing style grabs and engages the reader in the topic. Two of our reviewers who use Wortham specifically cited Wright's writing style as a reason they would adopt our book. A McAfee reviewer is likely to switch for the same reason. **2008 Writer's Market** Robert Brewer, 2007-07-06 Incorporating all the great information writers have to come to expect for more than 80 years, this latest edition features higher profiles of its author, interviews, five new market sections and the most up to date market listings available to help readers find success.
