Silbert, 2007 This easy to read guide will help parents help their children succeed in all stages of their educations The Silberts work with parents to help figure out and address the root of a child's problems in

school instead of just treating the symptom the bad grades The book provides examples and techniques and contains many real life anecdotes about the students and parents the Silberts have worked with The chapters are organized using S T R O N G an acronym that stands for Self esteem Trust Responsibility Options Needs Goals the six interconnected areas central to the development of emotionally socially and intellectually strong kids This is a great book for educators as well as for parents

*Overcoming Underachieving* Ruth Peters,2000-08-01 A parenting specialist and child psychologist helps tackle a headache for parents and kids alike homework and gets underachievers back on track Is your child constantly bored or frustrated at school Has homework become more of a family crisis than a learning exercise every evening As any parent of a school age child can tell you helping children to achieve at school and get into a good college is a primary concern Parents are starting to worry about this when their children are still very young knowing that the work habits and study skills their children develop in elementary school will affect their performance in middle school high school and eventually college Unfortunately bad habits on the part of kids and parents can result in poor academic performance and tense parent child relationships Now in *Overcoming Underachieving* Dr Ruth Peters a trusted child psychologist who has helped thousands of children and their parents solve scholastic problems tackles kids academic underachievement head on and presents a clear strategy that has worked for her clients and can work for almost all kids who aren t performing as well as they could With a practical program targeted for parents of children from first through the twelfth grade this book gives concrete advice about how to reward performance build a child s self concept help kids battle apathy identify common behavioral patterns among parents and children that lead to academic underachievement As the market is inundated with new study aids and guidebooks and expensive tutors Dr Peters s straightforward strategic plan is a breath of fresh air for parents and children *Overcoming Underachieving* is the best tool for helping your kids get the better grades they want and deserve **The Secrets to Good Grades** James Edward Keogh,1999 The rules of reading writing and arithmetic may be eternal but the ways of teaching them have changed dramatically Now there s a book that parents can study before a child asks for help with homework *The Secrets To Good Grades* From phonics to regrouping and beyond this precise readable guide explains the jargon and demystifies the methods today s teachers use so that the home may be a productive work environment for kids *The Secrets To Good Grades* provides ways for parents to structure homework sessions monitor a child s performance and provide crucial encouragement all while speaking a language today s young students will understand Organized by grade from one to six *The Secrets To Good Grades* will give parents the confidence they need to instill confidence in their children

**Why Bright Kids Get Poor Grades** Sylvia B. Rimm,1995 It s one of the most common frustrations for parents children who are capable perhaps even gifted students yet do not perform up to their abilities These children suffer from Underachievement Syndrome Unless the syndrome is corrected it can make not just school but life miserable for them In *Why Bright Kids Get Poor Grades* Dr Sylvia Rimm offers desperately needed help for these students Drawing on many years

experience as a parent teacher and psychologist and her own clinical research Dr Rimm has developed a Trifocal Model for reversing underachievement In this six step program parents and teachers work together to get kids back on track It works for both gifted and average children and for students from preschool through college Why Bright Kids Get Poor Grades is full of real life examples and practical advice Hundreds of families who have come to Sylvia Rimm s Family Achievement Clinics can testify to her effectiveness If you are the parent or teacher of an underachiever don t give up get this book Is Your Child an Underachiever Why Bright Kids Get Poor Grades Offers A Six step Program For Reversing Underachievement including How to determine whether your child has Underachievement Syndrome How to communicate better with your child and your child s teachers How to raise your child s expectations and your own How to provide role models and consistent messages about achievement How to undo damage already done by underachievement in school How to modify behavior patterns linked to underachievement

*Stop Giving in to Higher Grades* Kevin C. Costley, 2014 Grade inflation has been a consistently ignored problem in the public schools and universities for over fifty years Grades keep getting higher and higher for a multitude of reasons Students expect high grades Parents demand high grades of their children and teachers Some administrators implicitly or explicitly require that their teachers give high grades for various reasons Thus with more and more inflated grades in American public schools college and university students demand more high grades They are conditioned to receive high grades This is the entitlement generation students often feel unsuccessful when they receive a grade lower than an A Teachers at all level have heard students plead for A grades This article states that this subject should be brought back up in many forums in public schools and published articles High grades are an epidemic Grading students will never go away however grading should be the result of actual learner outcomes not inflated grades to make students and parent happy This article states ten ways on how teachers can begin to begin the process of eliminating inflated grades The article also advocates the dire need for administrators from the top down to evaluate why excessively high grades are given and return to fair grading This article is useful for administrators teachers and parents guardians

### **Gradebusters How Parents Can End The Bad Grades Battle Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Gradebusters How Parents Can End The Bad Grades Battle has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gradebusters How Parents Can End The Bad Grades Battle has opened up a world of possibilities. Downloading Gradebusters How Parents Can End The Bad Grades Battle provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gradebusters How Parents Can End The Bad Grades Battle has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gradebusters How Parents Can End The Bad Grades Battle. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gradebusters How Parents Can End The Bad Grades Battle. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Gradebusters How Parents Can End The Bad Grades Battle, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gradebusters How Parents Can End The Bad Grades Battle has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
