The Speech Situation is a term worn with age in the teaching of public speaking in America That it is comprised of occasion speaker and topic is a gross oversimplification It also includes challenge anxiety emotion fear responsibility faults of memory and instants of pride Out of the circumstances arise an increase in heart rate a change in blood pressure an abnormal pattern of breathing a noticeable build up in perspiration and an ongoing evaluation For students this may be merely a grade or perhaps a series of evaluative remarks possibly addressed both to the speaker and the other participants the audience It may entail a replaying of a record of the speech indeed a videotape Most important is the lasting impression that remains with all of the participants What of the vocabulary of the speaker under the circumstances of the speech situation This speaker in the major portions of this work we may say this young man has spent time seeking an appropriate topic He has outlined a composition around a central idea or thesis He has marshaled evidence details He has framed an opening paragraph He has been admonished not to give an essay but to strive for audience contact interpersonal communication He makes his audible approach through his vocabulary and accompanying phonology Under the tension the speaker repeats he adds meaningless vocalizations in periods that might logically be pauses There are slips of the tongue At worst failing he withdraws to await another day

**In the Shadow of My Guardian Angel** Henry Czajewski, 2011 Before the year 1989 that is before the fall of Communism in Poland the Communist government ordered the destruction of any documents that could have implicated them in the persecution of people opposed to the Communist party The documents would have been proof of their ignominious actions Therefore they were taken away by the truckload from the archives and burned outside of the city limits My documents were destroyed in Bialystok as well After turning down a job with the Polish Secret Police they harassed me and blacklisted me so I was unable to work It was in Bialystok where my persecution was most severe Nevertheless most copies of my documents were preserved at the Ministry of Interior in Warsaw The decision was made to escape immediately from the place of danger and once again we took what we could Each of us like a flock of geese with my father in the lead slowly walked away from the river fortress toward the woods The fog slowly subsided When we reached a haystack my father

announced that this would now be our home One night there came an announcement from an airplane with its engine turned off for a moment so as not to drown out words The announcement made in Polish was that everyone should leave this area because soon the war was going to be over An air raid followed and the entire area was bombed I read it and I was touched I finished reading Mr Henry Czajewski s extraordinary life testament The issues in the book are close to my heart because I know that it is not a work of his imagination but rather a poignant truth I shed tears when reading certain parts of this book and I was in awe of his enthusiasm optimism and sense of humor What a wonderful piece of work B F retired doctor of psychology Publisher s website <http://www.strategicpublishinggroup.com/title/InTheShadowOfMyGuardianAngel.html>
