Down in Flames Cheryl Hollon, 2019-06-25 A fatal hit and run in front of Savannah Webb's glass shop proves to be no accident A highlight of Savannah's new glass bead workshop is a technique called flame working which requires the careful wielding of acetylene torches Understandably safety is a top priority But as Savannah is ensuring her students safety inside a hit and run driver strikes down a pedestrian outside her shop The victim is Nicole Borawski the bartender manager at the Queen's Head Pub owned by Savannah's boyfriend Edward It quickly becomes clear that this was no random act of vehicular

Progressive Dystopia Savannah Shange, 2019-11-15 San Francisco is the endgame of gentrification where racialized
displacement means that the Black population of the city hovers at just over 3 percent The Robeson Justice Academy opened
to serve the few remaining low income neighborhoods of the city with the mission of offering liberatory social justice themed
education to youth of color While it features a progressive curriculum including Frantz Fanon and Audre Lorde the majority
Latinx school also has the district's highest suspension rates for Black students In Progressive Dystopia Savannah Shange
explores the potential for reconciling the school's marginalization of Black students with its sincere pursuit of multiracial
uplift and solidarity Drawing on ethnographic fieldwork and six years of experience teaching at the school Shange outlines
how the school fails its students and the community because it operates within a space predicated on antiblackness Seeing
San Francisco as a social laboratory for how Black communities survive the end of their worlds Shange argues for abolition
over revolution or progressive reform as the needed path toward Black freedom God Knows All Your Names Paul N.
Herbert, 2009 People with only a slight interest in history will enjoy these fascinating short and easy to understand stories
Serious history buffs will like these lesser known episodes not the stories we've heard a million times For example try to find
anyone who knows about the attempted slave insurrection in Fairfax County Virginia With Mary Lincoln's spending habits
who knew that Abraham Lincoln actually saved an enormous percentage of his presidential salary A slave honored in Virginia
with a monument the history of Lee Highway which opened with great fanfare in 1923 as a 3 000 mile road from Washington
DC to San Diego a story about the Little River Turnpike the second oldest turnpike in America built partly by slaves and
captured Hessian soldiers You'll read about two Civil War ships that collided in the Potomac River Victims included wounded
soldiers wives and one soldier's six year old son You'll read a great account of the massive Civil War corruption You'll learn
about the disastrous condition of the treasury sound familiar during the Revolutionary War The government tried everything
including a lottery to get the country afloat in a sea of red ink But the most fascinating story may be about the Revolutionary
War soldier who faked his own desertion to defect to the enemy with the highly secretive mission of going behind enemy lines
to capture and return for trial the worst traitor in American history Benedict Arnold Bet you never heard of this story There

are many other stories in this eclectic heavily researched manuscript There s a story about the Christmas Truce in World War One about long forgotten holidays in Virginia about the retrocession which sent an area of Washington back to Virginia in 1846 and about the impeachment of a Supreme Court justice it happened only once And more Billboard ,2005-10-29 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,2005-10-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Filipinos Represent Antonio T. Tiongson Jr.,2013-07-01 The Hip hop Nation has been scouted staked out and settled by journalists and scholars alike Antonio T Tiongson Jr steps into this well mapped territory with questions aimed at interrogating how nation is conceptualized within the context of hip hop What happens Tiongson asks to notions of authenticity based on hip hop s apparent blackness when Filipino youth make hip hop their own Tiongson draws on interviews with Bay Area based Filipino American DJs to explore the authenticating strategies they rely on to carve out a niche within DJ culture He shows how Filipino American youth involvement in DJing reconfigures the normal boundaries of Filipinoness predicated on nostalgia and cultural links with an idealized homeland Filipinos Represent makes the case that while the engagement of Filipino youth with DJ culture speaks to the broadening racial scope of hip hop and of what it means to be Filipino such involvement is also problematic in that it upholds deracialized accounts of hip hop and renders difference benign Looking at the ways in which Filipino DJs legitimize their place in an expressive form historically associated with African Americans Tiongson examines what these complex forms of identification reveal about the contours and trajectory of contemporary U S racial formations and discourses in the post civil rights era
