WALNECK'S CLASSIC CYCLE TRADER, DECEMBER 1992 Causey Enterprises, LLC, Son of Apollo Christopher A. Roosa, 2022-11 Christopher A Roosa grew up the eldest son of Apollo 14 astronaut and command module pilot Stuart A Roosa As a child of the space program Christopher had a ringside seat at the dinner table of one of twenty four Americans who had either entered lunar orbit or landed on the moon The first book written by an offspring of an Apollo astronaut to focus on growing up in that era Son of Apollo tells the inside story of the life of his father a man who had a remarkable career despite always believing his air force career was off track from his initial application to the service to his removal from the

prime crew of Apollo 13 and his subsequent assignment to Apollo 14 During the Apollo 13 mission and recovery Stuart played an integral role in developing the procedures to return the crew to Earth safely The focus and the pressure of the entire Apollo program then shifted to the Apollo 14 mission If the Apollo program was to continue Stuart and the Apollo 14 crew would need to get safely to the moon land and return In writing about his father s career Christopher Roosa also shows us a familial side of the Apollo experience from the daily struggles of growing up in the shadow of a father who was necessarily away in training most of the year to the expectations involved in being an astronaut s son Roosa s story shows the Apollo era was the result not only of thousands of scientists and engineers working steadfastly toward achieving an assassinated president s national goal but also the families who supported them and lived the missions in their own way For more information about the book visit roosa.com The Harley-Davidson Motor Company David K.
