*Havana Forever* Kenneth Treister, Felipe J. Prestamo, Raul B. Garcia, 2017-08-28 Havana has always been a dynamic city and its unique architecture makes it one of the most beautiful cities in the world Until recently the closed nature of contemporary Cuban society has frozen and preserved much of Havana's urban design and simultaneously prevented many visitors from experiencing its wide range of architectural influences which cross reference to create a stunning unified work of art In this documentary style history of old Havana readers are invited to tour the city's buildings alongside its culture people plazas and parks pedestrian environment monuments food music dance colonial history and iconic traditions from cigars to the Tropicana Supper Club Learn why Havana has the classic order neighborhood balance architectural elegance and pedestrian harmony that urban planners long for and discover the ways in which it is not just a city but a celebration of the Cuban way of life and its Creole roots

*Havana Forever* Kenneth Treister, Felipe J. Préstamo y Hernández, Raúl B. García, 2009 Kenneth Treister's sublime photographs capture the multiple faces of one of the world's great cities Along with coauthors Felipe Prestamo and Raul Garcia he explores not only Havana's unique architecture but also its culture people urban plazas and parks pedestrian environment monuments landmarks food music dance colonial history and idiosyncrasies from cigars to the Tropicana Supper Club from publisher description

*American Colonisation and the City Beautiful* Ian Morley, 2019-10-30 Winner of the 2020 IPHS Koos Bosma Prize *American Colonisation and the City Beautiful* explores the history of city planning and the evolution of the built environment in the Philippines between 1916 and 1935 In so doing it highlights the activities of the Bureau of Public Works Division of Architecture as part of Philippine national development and decolonisation Morley provides new archival materials which deliver significant insight into the dynamics associated with both governance and city planning during the American colonial era in the Philippines with links between prominent American university educators and Filipino architecture students The book discusses the two cities of Tayabas and Iloilo which highlight the significant role in the urban design of places beyond the typical historiographical focus of Manila and Baguio These examples will aid in further understanding the appearance and meaning of Philippine cities during an important era in the nation's history Including numerous black and white images this book is essential for academics researchers and students of city and urban planning the history and development of Southeast Asia and those interested in colonial relations

*Aesthetics and the Revolutionary City* James Clifford Kent, 2018-09-22 *Aesthetics and the Revolutionary City* engages in alternative ways of reading foreign visual representations of Havana through analysis of advertising images documentary films and photographic texts It explores key narratives relating to the projection of different Havana imaginaries and focuses on a range of themes including pre revolutionary Cuba the dream of revolution and the metaphor of the city frozen in time The book also synthesizes contemporary debates regarding the notion of Havana as a real and imagined city space and fleshes out its theoretical insights with a series of stand alone important case studies linked to the

representation of the Cuban capital in the Western imaginary The interpretations in the book bring into focus a range of critical historical moments in Cuban history including the Cuban Revolution and the Special Period and consider the ways in which they have been projected in advertising documentary film and photography outside the island

**Easter Island's Silent Sentinels** Kenneth Treister, Patricia Vargas Casanova, Cristino Claudio, 2013-11-15 It may be the most interesting and yet loneliest spot on earth a volcanic rock surrounded by a million square miles of ocean named for the day Dutch explorers discovered it Easter Sunday April 5 1722 Here people created a complex society sophisticated astronomy exquisite wood sculpture monumental stone architecture roads and a puzzling ideographic script And then they went about sculpting amazing giant human figures in stone This richly illustrated book of the history culture and art of Easter Island is the first to examine in detail the island's vernacular architecture often overshadowed by its giant stone statues It shows the conjecturally reconstructed prehistoric pole houses the ahu the sculptures platform as a spectacular expression of prehistoric megalithic architecture and the Easter Island Statue Project's inventory of the colossal moai sculptures This publication is made possible in part by a generous contribution from Furthermore a program of the J M Kaplan Fund Library Journal, 2009
