Joint Publications Research Service,1964-08 **Freedom's Mirror** Ada Ferrer,2014-11-24 During the Haitian Revolution of 1791 1804 arguably the most radical revolution of the modern world slaves and former slaves succeeded in ending slavery and establishing an independent state Yet on the Spanish island of Cuba barely fifty miles distant the events in Haiti helped usher in the antithesis of revolutionary emancipation When Cuban planters and authorities saw the devastation of the neighboring colony they rushed to fill the void left in the world market for sugar to buttress the institutions of slavery and colonial rule and to prevent another Haiti from happening in their own territory Freedom s Mirror follows the reverberations of the Haitian Revolution in Cuba where the violent entrenchment of slavery occurred at the very moment that the Haitian Revolution provided a powerful and proximate example of slaves destroying slavery By creatively linking two stories the story of the Haitian Revolution and that of the rise of Cuban slave society that are usually told separately Ada Ferrer sheds fresh light on both of these crucial moments in Caribbean and Atlantic history **State and Revolution in Cuba** Robert Whitney,2017-11-01 Between 1920 and 1940 Cuba underwent a remarkable transition moving from oligarchic rule to a nominal constitutional democracy The events of this period are crucial to a full understanding of the nation s political evolution yet they are often glossed over in accounts that focus more heavily on the revolution of 1959 With this book Robert Whitney accords much needed attention to a critical stage in Cuban history Closely examining the upheavals of the period which included a social revolution in 1933 and a military coup led by Fulgencio Batista one year later Whitney argues that the eventual rise of a more democratic form of government came about primarily because of the mass mobilization by the popular classes against oligarchic capitalism which was based on historically elite status rather than on a modern sense of nation Although from the 1920s to the 1940s politicians and political activists were bitterly divided over what popular and modern state power meant this new generation of politicians shared the idea that a modern state should produce a new and democratic Cuba **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency,1963 *Cuban Insurrection 1952-1959* Ramon L. Bonachea,2018-02-06 The Cuban Insurrection is an in depth study of the first stage of the Cuban Revolution the years from 1952 to 1959 The volume depicts the origins of the conflict details the middle years and ends with Fidel Castro s victorious arrival In Havana on January 8 1959 Based on a wealth of hitherto unpublished original material including confidential military reports letters from various leaders of the insurrection and data gathered from interviews held In Cuba and abroad the book Is a descriptive historical analysis of the struggle against military dictator Fulgencio Batista The authors challenge the traditional premise that Cuba s insurrection began in the rural areas and only later expanded into urban areas Instead they argue that the insurrectionary struggle was based upon combined urban rural guerrilla warfare against the regular army Basically The Cuban Insurrection treats two major movements involved in the struggle The Directorio Revolucionario and the M 26 7 and examines the growth ideology conflicts and
