Alone with Me Elizabeth Williams, 2023-03-25 Editorial Reviews 2021 12 14 A teenage crush gets interrupted by a horrible murder in this debut YA novel It s the summer of 1962 Eighteen year old Paul Dawson just needs to make it through his senior year of high school and then he can leave suburban Caroline Hills in upstate New York behind to become a writer Until then he s stuck lying in his bedroom playing Roy Orbison songs over and over and daydreaming about what it would be like to have a girlfriend His handsome twin brother Bobby doesn t have that problem He s the star quarterback he s dating the head cheerleader and he s also seeing Betty Jo Randall on the side Then one day the perfect girl for Paul appears out of the blue and moves in right next door In another life she must have been a mermaid thinks Paul spying on her over the fence Someone that lovely can t be just anybody The sky gave her his grey blue eyes Her rippling red hair cascades down her back like a waterfall The wind loves her hair I have never seen a girl let the wind have a way with her hair if she could help it before Jenny Winters has just moved in with her grandmother in Caroline Hills after her mother with whom she s never had a great relationship kicked her out of the house for reasons the young woman would prefer not to talk about Paul will do anything to hang out with Jenny and she will do anything to stir up some trouble which is how the two end up breaking into the lake house of the local doctor on the Fourth of July The same day Betty Jo is raped and killed and Bobby is the obvious suspect But Paul and Jenny think they may have seen the actual murderer though they ll need proof if anyone is going to believe them Can the two outsiders crack the case open and save the town from a killer And can Paul figure out a way to win the heart of his emotionally unavailable crush Williams prose is lively and smooth While many of the characters feel like types she imbues them with energy and humor that make them fresh The narration shifts between Paul and Jenny who are both delightfully angst y albeit in different ways Here Paul panics when Jenny instigates some spontaneous skinny dipping at the lake I empty my pockets I throw out my wallet my pocket knife my admission tickets to the fair and some folded pieces of

paper I take off my socks and shoes I pull off my belt so slowly I don't know what to do What would Bobby do Oh hell He'd already be in the lake now The characterization especially the richness of the protagonists' inner lives helps the novel to feel bigger than its mystery plot The author manages to capture the promise and danger of being young particularly the dynamic of a teenage relationship where one person has lived a lot more life than the other Readers will look forward to Williams' future offerings An immersive bracing mystery with a big heart Kirkus Reviews **The Modern British Drama: Comedies**
