MASTERS OF ROME

IN THE SHADOW OF STONEHENGE, AN EPIC BATTLE BEGINS...

Masters Of Rome Vespasian

Sir David Brewster

Masters Of Rome Vespasian:

Masters of Rome Robert Fabbri, 2015-03-01 Britannia 45 AD In the shadow of Stonehenge Vespasian's brother Sabinus is captured by druids. The druids want to offer a potent sacrifice to their gods not just one Roman Legate but two. They know that Vespasian will come after his brother and they plan to sacrifice the siblings on a summer's day. But to whom will they be making this sacrifice? What were the gods of this land before the Celts came? Only the druids still hold the secret and it is one of pure evil. Vespasian must strive to save his brother whilst completing the conquest of the haunted isle before he is drawn inexorably back to Rome and the heart of Imperial politics. Claudius' three freedmen remain at the locus of power. As Messalina's time as Empress comes to a bloody end the three freedmen each back a different mistress. But which woman will be victorious? And at what price for Vespasian?

Aspects of Roman History 31 BC-AD 117 Richard Alston, 2013-11-07 This new edition of *Aspects of Roman History 31 BC AD 117* provides an easily accessible guide to the history of the early Roman Empire. Taking the reader through the major political events of the crucial first 150 years of Roman imperial history from the Empire's foundation under Augustus to the height of its power under Trajan, the book examines the emperors and key events that shaped Rome's institutions and political form. Blending social and economic history with political history, Richard Alston's revised edition leads students through important issues, introducing sources, exploring techniques by which those sources might be read, and encouraging students to develop their historical judgement. The book includes chapters on each of the emperors in this period, exploring the successes and failures of each reign and how these shaped the empire; sections on social and economic history including the core issues of slavery, social mobility, economic development and change, gender relations, the rise of new religions, and cultural change in the Empire; an expanded timeframe providing more information on the foundation of the imperial system under Augustus and the issues relating to Augustan Rome; a glossary and further reading section broken down by chapter. This expanded and revised edition of *Aspects of Roman History* covering an additional 45 years of history from Actium to the death of Augustus provides an invaluable introduction to Roman Imperial history, surveying the way in which the Roman Empire changed the world and offering critical perspectives on how we might understand that transformation. It is an important resource for any student of this crucial and formative period in Roman history.

Rome's Fallen Eagle Robert Fabbri, 2014-10-01 Vespasian's fourth adventure: can he escape his own Emperor's wrath? Caligula has been assassinated and the Praetorian Guard have proclaimed Claudius Emperor, but his position is precarious. His three freedmen, Narcissus, Pallas, and Callistus, must find a way to manufacture a quick victory for Claudius, but how? Pallas has the answer: retrieve the Eagle of the Seventeenth, lost in Germania nearly 40 years before. Who but Vespasian could lead a dangerous mission into the gloomy forests of Germania? Accompanied by a small band of cavalry, Vespasian and his brother try to pick up the trail of the Eagle, but they are tailed by hunters who pick off men each night and leave the corpses in their path. Someone is determined to sabotage Vespasian's mission. In search of the Eagle and the truth pursued by
