Mates For Life Devoted Couples From The Animal Kingdom:

Mates for Life George Lewis, 2011-01-20 An ideal gift for that special person in your life this is an affectionate and amusing look at our neighbors in the animal kingdom who opt for a monogamous relationship The message clearly is if they can do it why can't we Stunning color photography captures cuddly cute or cooing couples in their natural habitats designed to melt even the most hard hearted valentine while informative text describes their mating rituals the often elaborate display of feathers or fur the special relationship the couples enjoy their relationship with their offspring plus fascinating facts about the species Gibbons and guinea fowl wolves and warblers swans skinks and seahorses angel fish beavers voles and vultures are just a few of ensemble of creatures that prove that devotion to one partner is a way of life we should aspire to **Mates for Life** Tara Gould, 2013 Mates for Life is an affectionate and amusing look at our neighbours in the animal kingdom who opt for the monogamous relationship If they can do it why can't we Lovebirds and Other Wild Sweethearts Abbie Headon, 2019-01-03 The best thing in life to hold onto is each other Lovebirds are so alike that it's hard to tell them apart They stay together for their whole lives and if separated they pine just like humans do They even sleep with their faces turned towards one another This little book shows what the animal kingdom can teach us about romance and the lasting power of love *Family Life Now* Kelly J. Welch, 2024-11-22 Written with a down to earth and student focused approach Family Life Now 4th edition delivers a comprehensive examination of interaction among family members and intimate partners With an emphasis on today's diverse and complex individual family and the evolving impact of societal issues this text engages students through a balanced integrated approach of the human development and family science disciplines Author Kelly Welch uses a first person narrative style of writing to engage readers encourage them draw upon their own background and experiences to understand theories and concepts and to paint a realistic view of families and intimate relationships This text lays the foundation to understanding relationships better applying research and theory and promotes the ways in which those considering a helping profession career such as social worker therapist psychologist teacher early childhood childcare provider or healthcare provider can employ strengths oriented best practices to create and deliver effective quality couple and family life education **Odd Couples** Daphne J. Fairbairn, 2015-08-25 The remarkable and unique ways that male and female animals play out gender roles in nature While we joke that men are from Mars and women are from Venus our gender differences can't compare to those of many other animals For instance the male garden spider spontaneously dies after mating with a female more than fifty times his size And male blanket octopuses employ a copulatory arm longer than their own bodies to mate with females that outweigh them by four orders of magnitude Why do these gender gulfs exist Introducing readers to important discoveries in animal behavior and evolution Odd Couples explores some of the most extraordinary sexual differences in the animal world Daphne Fairbairn uncovers the unique and bizarre characteristics of these remarkable species and the special strategies they use to maximize reproductive success Fairbairn also considers

humans and explains that although we are keenly aware of our own sexual differences they are unexceptional within the vast animal world Looking at some of the most amazing creatures on the planet Odd Couples sheds astonishing light on what it means to be male or female in the animal kingdom
