Masters Of Chaos The Secret History Of The Special Forces:

Masters of Chaos Linda Robinson, 2004-10-12 Army Special Forces soldiers have been at the forefront of America's counterterrorist campaigns in recent years. But little is known about the brave seasoned individuals from America's heartland who belong to this secretive unit. Veteran war reporter Linda Robinson gained access to their closed community starting in 2001. She traveled with them on the frontlines and interviewed them at their home bases and graphically recounts here the missions of this post Vietnam generation of commandos in Panama, El Salvador, Desert Storm, Somalia, the Balkans, Afghanistan, and Iraq. More Special Forces were deployed in Iraq than in any previous conflict and *Masters of Chaos* describes in detail such untold missions as the dramatic battle in the north against Ansar al Islam and the race to secure the western desert with a handful of men aboard the war pigs.
