Maths Escape Room

Under The Snake Game

Target: Having to change the direction to change the net. You have both and on a deep diving movement to reach different water levels. First ball will need a number code, that number code is just lifted out of there to get on the head back to shore.

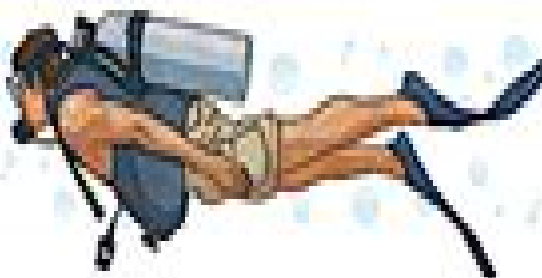

For the purpose of this study, the following hypotheses were proposed:

Under The Sea

forget having to escape the maze, you have to escape the wall! You have been set on a long living museum to visit different media tools. Each tool will record a number only, that number will be your ticket out of there to get on the next bank to shore.
