The Paladin Chronicles Book bundle 1-4 Neil Port, Mega book bundle Over 1700 pages 6000 000 words of Epic Fantasy adventure love some historical fantasy and a light sprinkling of humour All set in ancient times and exotic locations The story begins with Hakeem a mercenary from the desert city of Karsh in what is now Syria Growing up in a monastery all he ever wanted was to become a religious monk He can t understand why he was refused by the Grand Abbot whom he loved like a father The old man told him he was destined to become something called a paladin Broken hearted and penniless he runs away making a long journey to join the desert mercenaries fighting in the Greek colonies on the western coast of Turkey Paladins were very rare and the Shayvist monks believed they were sent by their God each with a great task The old Abbot didn t know that a second child had already been sent but what possible task would require two paladins After fighting in a war in Greek Turkey Hakeem rises to the level of a senior commander and is summoned home by the new Grand Abbot of his people Little does he realise then that he will soon be caught up in events that were prophesied two thousands years before The once mighty Elves are fading They have lost almost all their magic Their numbers are shrinking They no longer live longer than humans and each year they have fewer and fewer children Their final destruction has been foretold and now the time is all but upon them They are destined to face barbarian hordes greater than the time of the Aryans accompanied by an ancient sorcerer who can command a demon army There seems little hope that it wont overwhelm them completely and destroy them without a trace Only through an ancient prophecy can they be saved Hakeem an Elvish Princess and their adopted daughter join to flee assassins and begin the search for a way to save the Elves Readers Favorites Reviews Historical fantasy really doesn t get better than this first rate truly memorable A brilliant job of writing merges elves into Greek mythology and creates strong and fascinating characters Rating 5 0 stars

novels by women and some men as well as biographies of women that tell the story of the Aletis the wandering heroine She finds a similar pattern in works spanning the centuries from Lady Mary Wroth and William Shakespeare in the 1600s to Sue Monk Kidd Suzanne Collins and Philip Pullman in the current century including works by Jane Austen the Bront sisters George Eliot Elizabeth Gaskell Charles Dickens Kate Chopin Virginia Woolf Doris Lessing J R R Tolkien and Alice Walker to name just a few She also discusses myths and folk tales that follow the same pattern Dr Bower argues that the Aletis represents an archetypal character that has to date received surprisingly little scholarly recognition despite her central role in many of the greatest works of Western fiction Using an engaging down to earth writing style Dr Bower outlines the stages and cast of characters of the Aletis story with many examples from the literature She discusses how the Aletis story differs from the hero s quest how it has changed over the centuries as women gained more independence and what heroines of novels and movies might be like in the future She gives examples from the lives of real women and scatters stories that illustrate many of her points throughout the book In the end she concludes authors of the Aletis story use their imagination to give us characters who serve as role models for how a woman can live a full and free life Whitaker's Cumulative Book List,1978 Female Ascetics Wendy Sinclair-Brull,2013-12-16 This book examines in rich detail the neglected topic of female ascetics Based on field research it documents the social forces which facilitated the establishment of an Order of Ascetics for women defying tradition in many respects It describes the subtle methods by which the individual is transformed into a full member of the Order and how hierarchy and purity are indeed integral to the process **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1913 **Catalogue of the New York Free Circulating Library, George Bruce Branch** New York Free Circulating Library.
