Journey To Home Quintessential Therapy And Beyond:

Journey to Home Rachel B. Aarons, 2009-01-01 Journey to Home unlocks the mystery of what goes on behind the closed doors of therapists' offices. It provides an in-depth understanding of the therapy process on 3 different levels: 1 Theoretical it explains the principles underlying not just a specific school of therapy but all schools of therapy; 2 Autobiographical it takes a uniquely intimate look at this process through the author's own personal journey; 3 Self Help it offers easy to follow and remarkably effective exercises drawn from the author's over 30 years of clinical experience. It is not only a description of the change process it is also a guidebook to change. It goes beyond therapy into spirituality. Journey to Home is at once theoretical and personal, poetic and practical. It will appeal to everyone interested in psychological health and well-being.
