A Comprehensive Summary and Analysis of Autobiography of A Yogi Paramahansa Yogananda,2025-02-20 Autobiography of a Yogi by Paramahansa Yogananda is a captivating spiritual odyssey chronicling the life of the author and introducing readers to the profound wisdom of India s spiritual heritage The narrative unfolds with a preface by W Y Evans Wentz who emphasizes the book s unique value as a first hand account of yogis by a yogi rather than a journalistic or foreign perspective This work a revealing look into the Hindu

mind and heart is a testament to India's spiritual wealth. Evans Wentz recounts his meeting with Sri Yukteswar Giri in Puri, noting his gentle nature and the veneration he received. Sri Yukteswar's dedication to spiritual training and his love for his disciple Paramahansa Yogananda are highlighted, setting the stage for the spiritual journey that is to follow. *The Life of Yogananda* Philip Goldberg, 2018-04-24. He was called the 20th century's first superstar guru. Los Angeles Times and today, nearly a century after he arrived in the United States, he's still the best known and most beloved of all the Indian spiritual teachers who have come to the West. Now finally, Paramahansa Yogananda has the authoritative biography he deserves. Paramahansa Yogananda, considered by many to be the father of modern yoga, has had an unsurpassed global impact thanks to the durability of his teachings, the institutions he created or inspired, and especially his iconic memoir *Autobiography of a Yogi*. Since its publication in 1946, that book has sold millions of copies and changed millions of lives. But it doesn't tell the whole story. Much of Yogananda's seminal text is devoted to tales about other people, and it largely overlooks the three vital decades he spent living, working, and teaching in America. Huge chunks of his life, challenges, controversies, and crises, triumphs, relationships, and formative experiences remain unknown to even his most ardent devotees. In this captivating biography, scholar and teacher Philip Goldberg fills the gaps, charting a journey that spanned six decades, two hemispheres, two world wars, and unprecedented social changes. The result is an objective, thoroughly researched account of Yogananda's remarkable life in all its detail, nuance, and complex humanity. But this is more than a compelling life story. Yogananda would, I believe, want any book about him to not only inform but transform. Goldberg writes, "It is my hope that readers will be enriched, expanded, and deepened by this humble offering. That is sure to be the case for both Yogananda enthusiasts and those who discover him for the first time in these illuminating pages." *Dream Weaver* Gary Wright, 2014-10-02. Music legend Gary Wright reflects on his professional collaboration, friendship, and spiritual journey with quiet Beatle George Harrison. Best known for his multiplatinum hits *Dream Weaver* and *Love is Alive*, Gary Wright came to prominence as a singer and songwriter during the golden age of rock in the 1970s. What is not as well known to the public, however, is Wright's spiritual side. At the heart of this memoir is the spiritual conversion and journey that Wright experienced alongside his close friend George Harrison. Until Harrison's death in 2001, the two spent decades together writing songs, eating Indian fare, talking philosophy, and gardening. In addition to featuring lyrics to a never-released recording of a song cowritten by Wright and George Harrison in 1971, titled *To Discover Yourself*, this memoir includes a cache of never-before-seen photos. Also available is a deluxe e-book featuring an audio recording of *To Discover Yourself*. *Art of Super-Realization* Paramahansa Yogananda. In *Art of Super-Realization: Initiation*, Paramahansa Yogananda guides readers on a profound journey of spiritual awakening and self-discovery. Through ancient wisdom and practical techniques, Yogananda illuminates the path to realizing one's highest potential and experiencing the ultimate truth of existence. This transformative book offers a gateway to inner peace, divine love, and the art of living in harmony with the universe. **Dream Weaver Deluxe** Gary Wright, 2014-10-02.
