The Journey Adrian Luzzi, 2015-11-30 AllHumans Have Dreams And it is in the beauty and mystery of those dreams that the meaning of life resides While conventional wisdom tends to suggest that dreams and dreamers are randomly paired the history of mankind is full of examples showing the meaningful and synchronistic blending of the individual s most beautiful visions and his or her purpose in life For centuries perhaps millennia the question of what are we here for has puzzled humanity and tested the passage of time in a crusade to find its answer which lies nowhere but in the deepest confines of our own hearts Only those truly wanting to know will find their way through the mystic and fascinating quest to meet the who we were meant to be The Journey is a collection of profound and thought provoking reflections aimed at helping you uncover the reason why you are here and in so doing unlock the most magnificent sides of yourself to ultimately live your life in its fullest forms You will be presented with concepts that will question some of your basic assumptions and lead you to decode the language of Universal signs which will allow you to experience life in a completely different dimension here is much more than what the eyes can see and only by immersing into the realms of the heart the true blessings of life love and contribution can be appreciated and rediscovered Life is God s gift to us what we do with it is our gift to God Amish Proverb

The Road Trip that Changed the World **SAMPLER** Mark Sayers, 2012-05-01

Enjoy these SAMPLE pages from *The Road that Changed the World*. What if the problem is us? Sixty years ago, a goatee beard would have gotten you beat up in a lot of places. Chin fuzz was the symbol of the Beats or Beatniks, a mid-century marginal group who pioneered a new kind of lifestyle. Their approach to life was hedonistic, experiential, fluid, and individualistic. Their contradictory approach to spirituality combined a search for God with a search for kicks. In 1947, these Beatnik heroes set out on a road trip across America, re-writing the life script of all future generations. There was a new kind of lifestyle for a secular age. Their lives then, like so many of our lives now, were built upon experience, pleasure, mobility, and self-discovery. They would also model a new
