Everything I Know About Writing John Marsden,1998-04-01 John Marsden is not just one of Australia s most successful writers of all time he s also one of our best teachers of writing Highly recommended Sun Herald The most exciting interesting and useful book on the teaching of writing Australian English Teacher The ultimate get off your bum and do it book Everything I Know About Writing will motivate anyone to write It s a lively funny guide to writing as readable as a novel but packed front to back with ideas and insights This new edition has one other great feature 600 extraordinary topics guaranteed to have you or your students writing before you know it Everything I Know About Writing is the most painless way into writing ever *1000 Years of Annoying the French* Stephen Clarke,2012-03-20 The author of *A Year in the Merde* and *Talk to the Snail* offers a highly biased and hilarious view of French history in this international bestseller Things have been just a little awkward between Britain and France ever since the Norman invasion in 1066 Fortunately after years of humorously chronicling the vast cultural gap between the two countries author Stephen Clarke is perfectly positioned to

investigate the historical origins of their occasionally hostile and perpetually entertaining pas de deux Clarke sets the record straight documenting how French braggarts and cheats have stolen credit rightfully due their neighbors across the Channel while blaming their own numerous gaffes and failures on those same innocent Brits for the past thousand years Deeply researched and written with the same sly wit that made *A Year in the Merde* a comic hit this lighthearted trip through the past millennium debunks the notion that the Battle of Hastings was a French victory William the Conqueror was really a Norman who hated the French and pooh poohs French outrage over Britain's murder of Joan of Arc it was the French who executed her for wearing trousers He also takes the air out of overblown Gallic claims challenging the provenance of everything from champagne to the guillotine to prove that the French would be nowhere without British ingenuity Brits and Anglophiles of every national origin will devour Clarke's decidedly biased accounts of British triumph and French ignominy But 1000 Years of Annoying the French will also draw chuckles from good humored Francophiles as well as anyone who's ever encountered a snooty Parisian waiter or found themselves driving on the Boulevard Périphérique during August The Daily Mail A bestseller in Britain this is an entertaining look at history that fans of Sarah Vowell are sure to enjoy from the author the San Francisco Chronicle has called the anti Mayle acerbic insulting un PC and mostly hilarious
