

Cloudy connections

Another way of mapping clouds

A lot of cloud-related activity is taking place behind the scenes but there isn't a good way of publicly mapping connections to the way that the industry works. It's almost like being a fly on the wall in a room full of people who are all talking to each other but you can't hear what they're saying. It's almost like being a fly on the wall in a room full of people who are all talking to each other but you can't hear what they're saying.

The last time this was done was in 2010, when a group of people from the industry came together to create a map of the cloud ecosystem. It was a good idea, but it didn't work out as well as they hoped.

There is a need for a new kind of map. One that can show the relationships between different parts of the cloud ecosystem. It's a map that can show the relationships between different parts of the cloud ecosystem. It's a map that can show the relationships between different parts of the cloud ecosystem.
