Queer Adolescent Literature as a Complement to the English Language Arts Curriculum Paula Greathouse, Henry "Cody" Miller, 2022-02-15 This text offers secondary ELA educators guided instructional approaches for including queer themed young adult YA literature in the English language arts classroom Each chapter spotlights the reading of one queer themed YA novel and offers pre during and after reading activities that guide students to a deeper understanding of the content while increasing their literacy practices While each chapter focuses on a specific queer themed YA novel readers will discover the many opportunities for cross disciplinary study Thw emphasis on English language arts content as a focus for teaching LGBTQ young adult literature marks a shift from the first edition

Visual Literacy Mark Newman, Donna Ogle, 2019-10-31 Visual Literacy examines how teachers can use visuals to improve learning for all students It provides teachers with a foundation in visual literacy defined as the ability to read think and communicate with visually presented information Results of studies of students using visual information indicate that most students are clearly lacking in the tools needed to use visuals effectively The book orients teachers to visual literacy and the world of visuals It discusses various classroom tested strategies and activities for all students including second language learners and students with special needs Stressing visual literacy skills helps students understand a visual more deeply so they can master the content they are learning Teachers will learn to employ a literacy triad of reading thinking and communicating to aid students in their study of visuals First they inquire into the visual reading it for content and context including assessing the authenticity of the document Second they think about the document by analyzing interpreting and evaluating it to come up with answers to their inquiry Graphic organizers help students decipher the content and understand the meaning of the visual document connecting it to prior and future instruction Third they communicate their findings using visuals

Engaging Readers Dana A. Robertson, Evelyn Ford-Connors, Susan Dougherty, 2017-03-17 An important goal of teachers is to get all students especially those in the upper elementary and middle grades who struggle with academic work engaged in reading This book examines current research on instructional principles and actions related to engaged reading It shows how teachers can translate this research into evidence based actions that promote productive instructional contexts and focus students purposeful use of literacy in acquiring knowledge The authors integrate descriptions of principles and actions with concrete examples of classroom instruction and thematic teaching across disciplinary contexts and demonstrate how teachers might mediate students reading of complex texts The book provides readers with a vivid picture of the complexities of teaching reading in the upper elementary and middle grades In particular the book blends individual principles and practices into a holistic approach to creating productive and engaged learning environments for all upper elementary and middle grade learners
