## Biology Lab Essentials

The collage displays a variety of educational materials for biology lab. It includes several worksheets with tables for data collection and corresponding graphs. There are two bar graphs: one with blue bars showing a decreasing trend, and another with blue bars showing an increasing trend. There are also two line graphs: one with a black line showing a peak, and another with a blue line showing a peak. Additionally, there are several worksheets with tables and text, likely for practicing variable types. The materials are arranged in a grid-like fashion, showing different examples of how to use the resources.
