Great Food All Day Long Cook Splendidly Eat Smart:

Great Food, All Day Long Maya Angelou, 2010-12-14 At one time I described myself as a cook a driver and a writer I no longer drive but I do still write and I do still cook And having reached the delicious age of eighty one I realize that I have been feeding other people and eating for a long time I have been cooking nearly all my life so I have developed some philosophies Renowned and beloved author Maya Angelou returns to the kitchen both hers and ours with her second cookbook filled with time tested recipes and the intimate autobiographical sketches of how they came to be Inspired by Angelou s own dramatic weight loss the focus here is on good food well made and eaten in moderation When preparing for a party for example Angelou says Remember cooking large amounts of food does not mean that you are obligated to eat large portions When you create food that is full of flavor you will find that you need less of it to feel satisfied and you can use one dish to nourish yourself all day long And oh what food you will create Savor recipes for Mixed Up Tamale Pie All Day and Night Cornbread Sweet Potatoes McMillan Braised Lamb with White Beans and Pytt I Panna Swedish hash All the delicious dishes here can be eaten in small portions and many times a day More important they can be converted into other mouth watering incarnations So Crown Roast of Pork becomes Pork Tacos and Pork Fried Rice while Roasted Chicken becomes Chicken Tetrizzini and Chicken Curry And throughout Maya Angelou s rich and wise voice carries the food from written word to body and soul enriching experience Featuring gorgeous illustrations throughout and Angelou s own tips and tricks on everything from portion control to timing a meal *Great Food All Day Long* is an essential reference for everyone who wants to eat better and smarter and a delightful peek into the kitchen and the heart of a remarkable woman **Great Food, All Day Long** Maya Angelou, 2011-11-03 A mouth watering combination of recipes and autobiographical sketches from the much loved and bestselling author of *I KNOW WHY THE CAGED BIRD SINGS* A brilliant writer a fierce friend and a truly phenomenal woman BARACK OBAMA She moved through the world with unshakeable calm confidence and a fierce grace She will always be the rainbow in my clouds OPRAH WINFREY She was important in so many ways She launched African American women writing in the United States She was generous to a fault She had nineteen talents used ten And was a real original There is no duplicate TONI MORRISON *Maya Angelou* Mary Jane Lupton, 2016-01-18 This book presents the extraordinary life and writings of Maya Angelou It examines the changing viewpoints in her six autobiographies within the context of women s and African American autobiographies with specific reference to the slave narrative and to contemporary fiction and film *Maya Angelou The Iconic Self* examines this iconic artist s work as an autobiographer offering an up to date assessment of Angelou s contributions to American literature and to American and international culture This is the only book to interpret Angelou s autobiographies as unique experiments in the history of black narrative It attests to Angelou s creativity in transforming the typical single volume autobiography into a six volume personal and cultural adventure that tells the truth but reads like fiction The narratives cover the years from the Great Depression 1941 to the days following the
