Peck,Air University (U.S.). Air Command and Staff College,1984 **Great Warrior Leaders/thinkers** ,1989 Great Warriors: Hannibal Barca and Publitus Cornelius Scipio Africanus ,1984 This report presents a review analysis and comparison of the military achievements of Hannibal and Scipio during the Second Punic War 219 201 B C The author uses an ACSC Strategy Process Model as the framework for the analysis This study provides the student of military history the basis for comparing the importance of strategy and tactics **Air University Abstracts of Research Reports** ,1984 *Air University Abstracts of Research Reports* Air University (U.S.). Library,1984 *Roman Legionary vs Carthaginian Warrior* David Campbell,2018-08-23 The peace that followed the First Punic War was shallow and fractious with the resumption of hostilities in 218 BC sparked by Carthaginian expansion in Iberia seeing Rome suffer some of the worst defeats in her entire history The Carthaginian army was a composite affair primarily made up of a number of levies from Africa and around the Mediterranean augmented by mercenaries and allies and these troops crushed the Roman heavy infantry maniples in a series of battles across Southern Europe Improvements made to their military however would see Roman revenge visited on Hannibal in full measure by Scipio who would beat him at his own game and bring Roman legions to the gates of Carthage itself In this study the epic battles at Lake Trasimene 217 BC Cannae 216 BC and Ilipa 206 BC are explored in detail supported by carefully chosen illustrations and specially commissioned full colour artwork and mapping *Master of Horse* Ernest L. Walker,2003 Why did Hannibal Barca lose to Scipio at the battle of Zama in Africa when he had defeated Roman armies in Italy for 18 years **Scipio Africanus** Alexander Acimovic,2007-04-03 Scipio Africanus was one of the greatest generals and statesmen of the Ancient World When he was 18 he saved his father s life in battle during the Second Punic War and later survived the horrific Roman defeat at Cannae At the age of 26 he was named Commander in Chief of the Roman army in Spain and in 4 years by daringly storming the city of Cartagena and crushing two Carthaginian armies in battle conquered almost the entire peninsula for Rome After returning to Rome he leveraged popular support to gain command of an army to invade Carthage Lacking logistical and material support he welded trained and armed a battle hardened army Landing in Africa he delivered a stunning defeat to the Carthaginians with a surprise attack by night and fire After the famed Hannibal Barca returned to defend his homeland Scipio and his army utterly defeated the Punic general at the Battle of Zama This book based on exhaustive research of both ancient and modern sources describes Scipio s life and career in detail analyzes his military and political strategies and decisions and illustrates the timelessness of his leadership skills and far seeing diplomacy **Hannibal's Last Battle** Brian Todd Carey,2007-10-18 At Zama in what is now Tunisia in 202 BC the

armies of two empires clashed The Romans under Scipio Africanus won a bloody decisive victory over Hannibal's Carthaginians Scipio's victory signalled a shift in the balance of power in the ancient world Brian Todd Carey's compelling reconstruction of the battle and of the gruelling war that led up to it gives a fascinating insight into the Carthaginian and Roman methods of waging war And it offers a critical assessment of the contrasting qualities and leadership styles of Hannibal and Scipio the two most celebrated commanders of their age *Hannibal, Scipio Africanus, and Military Tactics in the Second Punic War* David Christopher Pittman, East Carolina University. Department of History, 2008

Roman Conquests: North Africa Nic Fields, 2011-01-26 The third in the Roman Conquests series will briefly cover Rome's first forays into the dark continent during the First and Second Punic Wars then cover in detail her vindictive final conquest and destruction of Carthage in the Third Punic War The subsequent long wars against the slippery Numidian prince Jugurtha which tested the Roman military system to the limit also occupy a central place With a cast of characters including Hannibal the Scipios Marius Sulla and the wily Jugurtha this is sure to be a popular addition to the series Like the other volumes this book gives a clear narrative of the course of these wars explaining how the Roman war machine coped with formidable new foes and the challenges of unfamiliar terrain and climate Specially commissioned color plates by Graham Sumner bring the main troop types vividly to life in meticulously researched detail *Conflict in Ancient Greece and Rome* Sara Elise Phang, Iain Spence Ph.D., Douglas Kelly Ph.D., Peter Londey Ph.D., 2016-06-27 The complex role warfare played in ancient Greek and Roman civilizations is examined through coverage of key wars and battles important leaders armies organizations and weapons and other noteworthy aspects of conflict *Conflict in Ancient Greece and Rome* The Definitive Political Social and Military Encyclopedia is an outstandingly comprehensive reference work on its subject Covering wars battles places individuals and themes this thoroughly cross referenced three volume set provides essential support to any student or general reader investigating ancient Greek history and conflicts as well as the social and political institutions of the Roman Republic and Empire The set covers ancient Greek history from archaic times to the Roman conquest and ancient Roman history from early Rome to the fall of the Western Roman Empire in 476 CE It features a general foreword prefaces to both sections on Greek history and Roman history and maps and chronologies of events that precede each entry section Each section contains alphabetically ordered articles including ones addressing topics not traditionally considered part of military history such as noncombatants and war and gender followed by cross references to related articles and suggested further reading Also included are glossaries of Greek and Latin terms topically organized bibliographies and selected primary documents in translation

The War Chronicles: From Chariots to Flintlocks Joseph Cummins, 2008

The World Book Encyclopedia John Morris Jones, 1947

Hannibal Richard A. Gabriel, 2011-02-28 The Romans' destruction of Carthage after the Third Punic War erased any Carthaginian historical record of Hannibal's life What we know of him comes exclusively from Roman historians who had every interest in minimizing his success exaggerating his failures and

disparaging his character The charges leveled against Hannibal include greed cruelty and atrocity sexual indulgence and even cannibalism But even these sources were forced to grudgingly admit to Hannibal s military genius if only to make their eventual victory over him appear greater Yet there is no doubt that Hannibal was the greatest Carthaginian general of the Second Punic War When he did not defeat them outright he fought to a standstill the best generals Rome produced and he sustained his army in the field for sixteen long years without mutiny or desertion Hannibal was a first rate tactician only a somewhat lesser strategist and the greatest enemy Rome ever faced When he at last met defeat at the hands of the Roman general Scipio it was against an experienced officer who had to strengthen and reconfigure the Roman legion and invent mobile tactics in order to succeed Even so Scipio s victory at Zama was against an army that was a shadow of its former self The battle could easily have gone the other way If it had the history of the West would have been changed in ways that can only be imagined Richard A Gabriel s brilliant new biography shows how Hannibal s genius nearly unseated the Roman Empire

Scipio Africanus in the Second Punic War Howard Hayes Scullard,1930 **A Greater Than Napoleon, Scipio Africanus** Sir Basil Henry Liddell Hart,1927 A Greater Than Napoleon: Scipio Africanus Sir Basil Henry Liddell Hart,1971

Scipio Africanus 236 183 b c was one of the most exciting and dynamic leaders in history As commander he never lost a battle Yet it is his adversary Hannibal who has lived on in public memory As B H Liddell Hart writes Scipio s battles are richer in stratagems and ruses many still feasible today than those of any other commander in history Any military enthusiast or historian will find this to be an absorbing gripping portrait

Hannibal and Scipio Africanus ,2020-04-20 Includes pictures Includes excerpts of ancient accounts Includes a bibliography for further reading Carthage was one of the great ancient civilizations and at its peak the wealthy Carthaginian empire dominated the Mediterranean against the likes of Greece and Rome with commercial enterprises and influence stretching from Spain to Turkey In fact at several points in history it had a very real chance of replacing the fledgling Roman empire or the failing Greek poleis city states altogether as master of the Mediterranean Although Carthage by far preferred to exert economic pressure and influence before resorting to direct military power and even went so far as to rely primarily on mercenary armies paid with its vast wealth for much of its history it nonetheless produced a number of outstanding generals from the likes of Hanno Magnus to of course the great bogeyman of Roman nightmares himself Hannibal In the history of war only a select few men always make the list of greatest generals Napoleon Caesar Alexander They are always joined by Hannibal who has the distinction of being the only man who nearly brought Rome to its knees before its decline almost 700 years later Rome never suffered a more horrifying defeat in its history than at Cannae and indeed Hannibal nearly rewrote the course of Western history during the Second Punic War Even today there remains great debate on just how he accomplished his masterful invasion of Italy across the Alps Since his army included war elephants historians still argue over exactly where and how he crossed over 2 000 years after he managed that incredible feat Hannibal will always be listed among history s greatest generals and his military campaign in Italy during

the Second Punic War will always be studied but part of the aura and mystique surrounding the Carthaginian legend is that there is still a lot of mystery Since Carthage was destroyed by Rome a generation after Hannibal most of what is known about Hannibal came from the very people he tormented in the late 2nd century BCE and thus much of his background is unknown Moreover even as military historians are still amazed that he was able to maintain his army in Italy near Rome for nearly 15 years they are still puzzled over some of his decisions including why he never attempted to march on Rome in the first place While he remains far less known than Hannibal Publius Cornelius Scipio the man who has become known to history as Scipio Africanus is widely regarded as one of the greatest military leaders of all time In the space of less than 10 years the genius of Scipio took Rome from being on the brink of utter destruction to becoming the dominant power in the Mediterranean He displayed not just acute understanding of the tactical needs of the battlefield but also a strategic overview that consistently allowed him to confound his enemies Scipio has been described as the embodiment of grand strategy as his campaigns are the supreme example in history of its meaning However like many other successful military leaders Scipio proved much less able to deal with the envy and political machinations of the Roman Senate and he ended his life not in glory but in bitter self imposed retirement much the same way Hannibal did Both men left legacies of military genius catastrophic defeats perseverance in the face of setbacks astounding victories Their stories also heavily involve ingratitude envy and enmity from within Hannibal and Scipio Africanus The Lives and Careers of the Second Punic War s Legendary Generals chronicles the two rivals their campaigns and their lasting legacies Along with pictures depicting important people places and events you will learn about Hannibal and Scipio Africanus like never before
