A Translator's Handbook on the Gospel of Luke Reiling, J.L. Swellengrebel, 2023-04-17 This handbook like others in this series concentrates on exegetical matters that are of prime importance for translators and it attempts to indicate possible solutions for translational problems that may arise because of language or culture In this respect the Handbook attempts to deal with the full range of information important to translators However the authors do not attempt to provide help that other theologians and scholars may be seeking but which is not directly useful for the task of translating It is assumed that such information is available elsewhere
