Introduction to Greek Prose Composition Arthur Sidgwick,2015-06-29

Excerpt from Introduction to Greek Prose Composition With Exercises In composing in any language the various difficulties to be surmounted may be summed up in three classes Accidence Syntax and Idiom The Accidence is the first step and must be learnt from the grammar These Exercises will perhaps be of use to practise the learner in the cases and inflexions but a fair acquaintance with them is presumed before starting to write Greek Prose at all The Syntax must also in the main be learned from the grammar but as the grammar is intended primarily for other purposes than to assist in composition it has been thought advisable to give here some notes on Greek constructions arranged so that the learner may readily refer to them and find what he is likely to want more easily than he could in a grammar Some hints on Idiom also have been given here so as to guide the student in those places where he is most likely to go wrong and to suggest to him without going too much into detail some ideas on the
