Strengthening Electoral Integrity Pippa Norris,2017-08-29 Norris counters current pessimism about the effectiveness of democratic programs monitoring and assisting elections worldwide arguing for international engagement **Federal Regulatory Guide** CQ Press,2020-04-28 The Federal Regulatory Directory Eighteenth Edition continues to offer a clear path through the maze of complex federal agencies and regulations providing to the point analysis of regulations Information packed profiles of more than 100 federal agencies and departments detail the history structure purpose actions and key contacts for every regulatory agency in the U S government Now updated with an improved searching structure the Federal Regulatory Directory continues to be the leading reference for understanding federal regulations providing a richer more targeted exploration than is possible by cobbling together electronic and print sources The Right to Food Guidelines, Democracy and Citizen Participation Katharine S. E. Cresswell Riol,2016-11-10 It is now more than a decade since the Right to Food Guidelines were negotiated agreed and adopted internationally by states This book provides a review of its objectives and the extent of success of its implementation The focus is on the first key guideline Democracy good governance human rights and the rule of law with an emphasis on civil society participation in global food governance The five BRICS countries Brazil Russia India China and South Africa are presented as case studies representing major emerging economies they blur the line between the Global North and South and exhibit different levels of human rights realisation The book first provides an overview of the right to adequate food accountability and democracy and an introduction to the history of the development of the right to adequate food and the Right to Food Guidelines It presents a historical synopsis of each of the BRICS states experiences with the right to adequate food and an analysis of their related periodic reporting to the Committee on Economic Social and Cultural Rights as well as a specific assessment of their progress in regard to the first guideline The discussion then focuses on the effectiveness of the Right to Food Guidelines as both a policy making and monitoring tool based on the analysis of the guidelines and the BRICS states *Indonesian Presidency, The: Assessing The 2024 Presidential Elections And Beyond* Bilveer Singh,2024-07-30 The book examines the various dynamics involved in Indonesian presidential elections inter alia the political and changing presidential system the history of the presidency the various forces at work in the 2024 presidential elections especially the personalities and political forces involved in the elections and eventually the factors behind the victory of Prabowo Subianto who had tried four times first as a vice presidential candidate and thrice as a presidential candidate and how he won the presidential election in a single round without a runoff The implications of this victory for Indonesia and the wider world are also discussed Why Elections Fail Pippa Norris,2015-07-08 Too often

elections around the globe are unfortunately deeply flawed or even fail What triggers these problems In this second volume of her trilogy on electoral integrity Pippa Norris compares structural international and institutional accounts as alternative perspectives to explain why elections fail to meet international standards The book argues that rules preventing political actors from manipulating electoral governance are needed to secure integrity although at the same time officials also need sufficient resources and capacities to manage elections effectively Drawing on new evidence the study determines the most effective types of strategies for strengthening the quality of electoral governance around the world With a global perspective this book provides fresh insights into these major issues at the heart of the study of elections and voting behavior comparative politics democracy and democratization political culture democratic governance public policymaking development international relations and conflict studies and processes of regime change **The Rough Guide to**
