**Maximize Your Rotations: ASHP's Student Guide to IPPEs, APPEs, and Beyond** Mate M. Soric, 2013-04-01

Successful pharmacy careers begin with successful rotations and successful rotations start with this guide. Although rotations are crucial to the development of skills needed to practice pharmacy, there has been little available to guide students in the best way to prepare and make the most of these experiences until now. *Maximize Your Rotations: ASHP's Student Guide to IPPEs, APPEs, and Beyond* breaks down everything you need to know into easy-to-navigate chapters. Inside, you will find the skills required to excel while on IPPE or APPE rotations along with competencies that may be unique to one type of rotation or another. Each chapter is written by an experienced preceptor, lending a valuable perspective. By using this text, you will gain an appreciation of the general expectations and typical activities of each rotation experience before you begin. Better preparation means better performance. *Maximize Your Rotations* will also be a resource throughout the experiential year, offering everything from reminders of clinical issues and statistical reviews to advice on interviewing, CV writing, professional organizations, and more. *Maximize Your Rotations* means less time getting up to speed and more time getting ahead in your career. Your rotation experience can be the launching pad for your career, and there's no better guide than *Maximize Your Rotations*.

Malone, Sharon K. Park, 2017-12-13. The guide pharmacists and students turn to first for cutting edge coverage of drug information. A Doody's Core Title for 2021. The goal of *Drug Information: A Guide for Pharmacists, Sixth Edition* is to teach students and practitioners how to effectively research, interpret, evaluate, collate, and disseminate drug information in the most efficient and effective manner possible. Updated to reflect the realities of today's practice, the book also addresses important issues such as the legal and ethical considerations of providing drug information. *Drug Information: A Guide for Pharmacists* begins by introducing the concept of drug information, including its history, and provides details on the various places drug information specialists may find employment. This is followed by information on how to answer a question from the process of gathering necessary background information through determining the actual informational need to answering the question. The chapter on drug information resources includes descriptions of the most commonly used references and contains new information on apps available to practitioners. As with past editions, practical examples are also provided. The Sixth Edition has been updated throughout with chapters from previous editions rearranged to make the subject flow better. This edition is also enhanced by the addition of new chapters on journal clubs and counterfeit drugs, drug shortages. In addition, coverage of Policy Development, Project Design, and Implementation has been greatly expanded. *Drug Information: A Guide for Pharmacists, Fourth Edition* Patrick Malone, Karen Kier, John Stanovich, 2011-08-17.
