*The Translator on Stage* Geraldine Brodie,2017-12-28 In today s theatre productions of plays that originated in another language are frequently distinguished by two characteristics the authorship of the English text by a well known local theatre specialist and the

absence of the term translation generally in favour of adaptation or version The Translator on Stage investigates the creative processes that bring translated plays to the mainstream stage exploring the commissioning translation and development procedures that end with a performed play Through a sample of eight plays that span two thousand years and six languages including Festen Don Carlos Hedda Gabler and The UN Inspector and that were all staged within a three month period Geraldine Brodie brings in a wide range of theatre practitioners to discuss their roles in the translation process and the motivations that govern London theatre translation activities The Translator on Stage is informed by specially conducted interviews with the productions producers artistic directors directors literary managers playwrights and specialist translators including Michael Grandage Rufus Norris David Eldridge Juan Mayorga David Johnston and Mike Poulton It sheds new light not only on theatrical translation procedures but also on the place of translation in society today The Positive Image of the Jew in the 'comedia' Andrew Herskovits,2005 Argues contrary to most scholarly opinion that while on the explicit level they are anti Jewish in a covert manner the dramatic works of the Spanish Golden Age present a positive image of the Jews Works by Rojas Cervantes and especially Lope de Vega are shown to have used coded writing and techniques of dissimulation to subvert the dominant anti Jewish ideology of the day embodied in the actions of the Inquisition and in the *limpieza de sangre* statutes A reason for the indirect approach was that the writers who were influenced by Christian Humanism rather than by any putative Converso origin themselves sought to escape interrogation by the Inquisition One technique used was to replace the Converso by the figure of a persecuted woman or by a biblical legendary or foreign Jew Defending the Jews was an aspect of espousal of justice for all Protest und Verweigerung Protest and Refusal Hans Adler,Sonja E.
