If you feel you are in a spiritual awakening process, or possibly in a spiritual emergence or crisis, you may feel you have enough to worry about with the physical challenges that arise, or psychic shifts that are throwing you into unfamiliar territory. But what is really important to understand in this awakening process is that it is your subtle energy field that is erupting and unraveling and producing all the changes.

## **Guide To Raising Kundalini Process:**

**Energies of Transformation** Bonnie Greenwell, 2002-01-01 This book is about the subtle energy of the life force the pure consciousness beyond mind and the ecstatic experience of spiritual awakening It also tells of physical collapse psychic chaos and personality upheaval those elements of human transformation that uproot individuals to the core It tells the stories of people both ancient and modern who have discovered and integrated an experience that pushes the edges of their sanity and their divinity And it is a guide for survival and transformation It appears that when people pray meditate or turn inward with great intensity to find God what they may ultimately experience is the sat chit ananda of the ancient Indian scriptures Sat is existence or beingness the substance or essence that is all things Chit is cosmic intelligence or knowledge that fills everything a consciousness without personal identity Ananda is ecstatic bliss Indian pandits identify these three qualities as the essential nature of existence Direct intuition of them becomes possible following the eruption of Kundalini energy which is latent in each of us This book is to help you recognize and support a unique universal and ageless process related to spiritual experience and psychological wholeness and identified in ancient times as Kundalini awakening **Kundalini**
