

1

Representing and branding Valencia as a multicultural city, and thereby emphasizing the different cultures, will create the main attraction for people outside Valencia.

2

Valencia is currently an isolated part of Iberia. Connections to the site are to be improved by new structures of streets, water and landscape in order to break down the outer edges.

3

In order to affect the image, people need to be aware of the changes. Therefore new development must differ from the existing by new typologies, which also reflect the cultural diversity.
