➤ Enhancing Your Life ➤
through Grateful Living

"Intellectually satisfying, spiritually edifying, and profoundly personal, Charles Shelton's book provides a wise and compassionate analysis of what has been often referred to as the 'greatest of the virtues.' Read it and savor it over and over again. You will be deeply fulfilled and overwhelmingly grateful."

Gratitude Factor The Enhancing Your Life Through Grateful Living:

The Gratitude Factor Charles M. Shelton, 2010 Helps readers to reflect on the role of gratitude in their lives and to cultivate this virtue for their own benefit The first author to offer a critique of gratitude through an explanation of various types of gratitude Charles Shelton uses his skills as a clinical psychologist to present insights into the human experience of gratitude based on his own research The exercises strategies and reflection questions threaded throughout the book give it a practical dimension that facilitates the reader's growth Shelton's highly original reflection on Jesus as a grateful person lends a spiritual dimension to his work This book will benefit individual readers as well as serve as a resource for spiritual direction workshops spiritual formation courses or ministry formation programs From publisher description [Gratitude Works!](#)

Robert A. Emmons, 2013-02-14 A purposeful guide for cultivating gratitude as a way of life Recent dramatic advances in our understanding of gratitude have changed the question from does gratitude work to how do we get more of it This book explores evidence based practices in a compelling and accessible way and provides a step by step guide to cultivating gratitude in their lives Gratitude Works also shows how religious philosophical and spiritual traditions validate the greatest insights of science about gratitude New book from Robert Emmons the bestselling author of Thanks Filled with practical tips for fostering gratitude as a way of life Includes scientific research as well as religious and philosophical insights to show how gratitude can work in our lives From Robert Emmons the bestselling author of Thanks comes a resource for cultivating a life of gratitude practices

The Art of Gratitude Jeremy David Engels, 2018-04-25 Explores how the emotional experience of gratitude has been enlisted in neoliberal governance through the language of debt In The Art of Gratitude Jeremy David Engels sketches a genealogy of gratitude from the ancient Greeks to the contemporary self help movement One of the most striking things about gratitude Engels finds is how consistently it is described using the language of indebtedness A chief purpose of this he contends is to make us more comfortable living lives in debt with the nefarious effect of pacifying the citizenry so we are less likely to speak out about social and economic injustice To counteract this he proposes an alternative art of gratitude as thanksgiving that is inspired by Indian philosophy particularly the yoga philosophy of the Bhagavad Gita and Patanjali's Yoga Sutras He argues that this art of gratitude can challenge neoliberalism by reorienting our politics away from resentment anger and guilt and toward a democratic ethic of thanksgiving and the common good In the contemporary moment when gratitude is widely touted as the panacea to many of our ills Jeremy Engels provides a timely critical genealogy of this emotion showing how it has been used for social control and how it affirms the state of indebtedness at the heart of neoliberalism But Engels also makes a compelling case for the art of gratitude a gratefulness with capacities for cultivating the self and strengthening democracies William Edelglass coeditor of Facing Nature Levinas and Environmental Thought This book accomplishes two important goals it provides a very detailed and interesting history of gratitude in the West and it brings Eastern philosophy especially yoga into our accounts of gratitude and flourishing A unique project with an eminently

readable style it will appeal to a number of audiences including those interested in the theory and practice of yoga Scott R Stroud author of *John Dewey and the Artful Life Pragmatism Aesthetics and Morality* *The Wiley Handbook of Positive Clinical Psychology* Alex M. Wood, Judith Johnson, 2016-06-13 Edited by the founder of the field this is the first handbook on positive clinical psychology a revolutionary approach that places equal importance on both the positive and negative aspects of mental health and well being The first handbook on positive clinical psychology a revolutionary approach that places equal importance on the positive and negative aspects of mental health and well being Brings together new work from authorities in positive psychology and clinical psychology to offer an integrated examination of well being as it relates to personality psychopathology psychological treatments and more Discusses theory research and practice across a broad range of topics such as optimism positive affect well being therapy childhood well being evolutionary perspectives and clinical implementation Contains essential information for researchers instructors and practitioners in clinical psychology positive psychology mental health and well being in general Nourishing the Spirit James D.
